B TIRZ #1 EAST AMENDED BY ADDING PHASE II WASTEWATER FACILITIES THROUGH BASIN G AND BASIN C

- In July, 2017 a development agreement with Loera Home Builders was agreed to that would facilitate development of 260 homes of an average value of \$450,000. The residential subdivision will be voluntarily annexed into the City of Lorena. The TIRZ #1 East built a Phase II sanitary sewer force main and lift station connecting the proposed Loera Subdivision with the Phase I sanitary sewer line project. Loera Home Builders will build the water and sanitary sewer lines to serve the individual lots.
- Additional properties were included in the TIRZ #1 East Amendment that could also be served through the Phase II sanitary sewer line force main and lift station.
- Included with the Appendix to this report is a spreadsheet of the Tax Parcel Tabulations for Lorena TIRZ #1 East including the 310.81 acres of the amendment to TIRZ #1 East.

force main and lift station within the Loera Subdivision.

- and 2024. As TIRZ #1 East revenues increase this \$265,450 is eligible for reimbursement.
- As per development agreements three private sector participating landowners have agreed to pay a total of \$635,300 for initial debt payments between 2017 and 2024. As TIRZ #1 East revenues increase this \$635,300 is eligible for reimbursement.
 - The City of Lorena issued Certificates of Obligation in January of 2018 in which the TIRZs #1 East received \$1,575,000 for the Phase II Sanitary Sewer Trunk Line project.
 - The Loera Homebuilders Company agreed to contribute to the City a total of \$500,000 toward the Phase II Lift Station and Force Main Sanitary Sewer Project including an initial payment of \$55,000 at the time of the August 2017 agreement.
 - The TIRZ agreed to assist the City to fund the project and to construct the Lift Station and Force Main Sanitary Sewer Project by December 31, 2018.
 - The City of Lorena agreed to fund \$75,000 for an extension of the water line to the subdivision.
 - The Tax Increment Fund is not expected to receive significant property tax funds in the 2015-2020 fiscal years as there was no substantial incremental increase in development due to the previous lack of sanitary sewer thus minimal increase in appraised value from which to receive incremental pledged funds at rate of 70% of the incremental increase.
 - It should be noted that the Tax Increment Fund is not expected to receive sales tax until the Texas Comptroller's Office is able to release a report of sales tax in the TIRZ. Texas law does not allow such a report for less than 4 sales tax payers in the TIRZ. There has been no new sales tax generating businesses located in the TIRZ in 2015-2019.
 - TIRZ #1 City of Lorena 2018-2019 June Financial Report is included within the Appendix to this report.
 - It is anticipated, as per the Financing Plan that as the sanitary sewer trunk line is available, commercial and residential development within the TIRZ will begin to generate property and sales tax revenues sufficient to pay expenditures of the TIRZ including principal and interest on the certificates of obligation for the \$2,425,000 and \$1,575,000. The breakeven point in the Financing Plan is estimated at the end of 2024.
 - Resolution of the Lorena/Waco ETJ and CCN is anticipated in the near future and will further allow development to proceed.
