8. Discussion and possible action on approving the Amendment to Development Agreement by and Among the City of Lorena, Texas, Lorena Tax Increment Reinvestment Zone #1 East, and Loera Home Builders Company.

Mayor Protem and TIRZ Board President Bill Coleman spoke and explained the amendment to the council. The original development agreement called for 7 homes to be built by the end of 2020. Loera is requesting that number to be reduced to 4 homes by July 1, 2021. Loera is confident that he will have 11 homes complete by the end of 2021. Loera paid the second portion of contribution to the Basin "G" Sanitary Sewer Trunk Line.

City Manager Joseph Pace explained the City of Lorena approved the amendment to the original developer's agreement at the March 2020 City Council meeting; however, the developer, Jose Loera, did not sign the agreement. Due to this fact, the TIRZ Board issued and presented new conditions to the developer's amendment to Jose Loera on Tuesday, March 12, 2020, which he accepted. The TIRZ Board met prior to the council meeting tonight and approved the amendments.
