16. Discussion and possible action on Ordinance 2025-0121-01 calling the May 3, 2025 General Election to elect one (1) person for each position to serve the full term of two (2) years for Mayor and two (2) City Council Members).
17. Police Department Report.
18. City Manager Report.
  - a. Rise Broadband fiber optic project.
  - b. Rise Broadband point of contact Nathan Waltman (682) 498-0988  
[nwaltman@risebroadband.com](mailto:nwaltman@risebroadband.com).
  - c. City Manager and Chief Holt enrolled in Certified Public Manager (CPM) program.
19. Future Agenda Items.
20. Adjourn

I, the undersigned authority, do hereby certify that the above Notice of Meeting of the governing body of the City of Lorena, Texas, was posted on the front door at the Lorena City Hall and the city website at on January 16, 2025.

Monica Hendrix

Monica Hendrix-City Secretary

PURSUANT TO SECTION 551.127 OF THE TEXAS GOVERNMENT CODE, AND IN CONJUNCTION WITH THE GUIDANCE AND PROVISIONS PROVIDED BY THE GOVERNOR OF TEXAS IN THE DECLARATION OF DISASTER ENACTED MARCH 13, 2020, MEMBERS OF THE CITY COUNCIL MAY BE PARTICIPATING REMOTELY IN COMPLIANCE WITH THE TEXAS OPEN MEETINGS ACT, AS TEMPORARILY MODIFIED BY THE GOVERNOR.

*Attendance by Other Elected or Appointed Officials – NOTICE OF POSSIBLE QUORUM: It is anticipated that members of City Council or other city board, commissions and/or committees may attend the meeting in numbers that may constitute a quorum of the other city boards, commissions and/or committees. Notice is hereby given that the meeting, to the extent required by law, is also noticed as a meeting of the other boards, commissions and/or committees of the City, whose members may be in attendance. The members of the boards, commissions and/or committees may participate in discussions on the same items listed on the agenda, which occur at the meeting, but no action will be taken by such in attendance unless such item and action is specifically provided for on an agenda for that board, commission or committee subject to the Texas Open Meetings Act.*

In compliance with the American with Disabilities Act, the City of Lorena will provide reasonable accommodations for persons attending and/or participating in City Council meetings. The facility is wheelchair accessible, with handicap parking available at the side of the building. Requests for sign interpreters or special services must be received seventy-two (72) hours prior to the meeting by calling the City Secretary at 254-857-4641.

#### PROCEDURES FOR CITIZEN PARTICIPATION AT MEETINGS

The meetings will be streamed live on the City of Lorena's Facebook page.

Citizens who wish to address the Council on any item on the agenda or under the hearing of visitors, must submit questions via email to the City Secretary Monica Hendrix @ [mhendrix@lorenatx.gov](mailto:mhendrix@lorenatx.gov) or in person at Lorena City Hall at 107-A S. Frontage Road by NOON on the day of the meeting. Your comments will be read into the records during the meeting.

Council may not comment publicly on issues raised during citizen comments that are not listed on the agenda but may direct the City Manager to resolve or request the matter to be placed on a future agenda. Such public comments shall not include any "deliberation" as defined by Chapter 551 of the Government Code, as now or hereafter amended.

**NOTICE OF PUBLIC MEETING  
LORENA CITY COUNCIL  
MONDAY, DECEMBER 16, 2024 6:30 P.M.  
LORENA CITY HALL  
107-A S. FRONTAGE ROAD, LORENA TEXAS**

THE PUBLIC WILL BE ABLE TO JOIN THE MEETING BY VIDEOCONFERENCE  
AT THE FOLLOWING LINK <https://meet.goto.com/319145533>

The City Council Meeting will be opened to the public.

Questions and comments on items listed on the agenda may be emailed no later than NOON on the day of the meeting to the City Secretary Monica Hendrix via email to [mhendrix@lorenatx.gov](mailto:mhendrix@lorenatx.gov)

**MINUTES**

**1. Call to Order/Roll Call.**

Mayor Ross called the meeting to order at 6:30 p.m. Council members present were Mayor Tommy Ross, Jason Blanek, Brad Wetzel and Carla Pendergraft. Mayor Pro tem Kelly Yarbrough was present via teleconference. Emily McKenzie arrived at 6:40 p.m.

City Staff present were Monica Hendrix, Scott Holt, Kyler Jones, Kevin Neal and Peter Rivas.

**2. Pledge of Allegiance.**

Mayor Ross led the pledge of allegiance.

**3. Citizens questions or comments.**

*At this time any person with business before the Council not scheduled on the agenda may speak to the Council. Comments are limited to three (3) minutes, and this time is not transferable. Under the Texas Open Meetings Act, the Council is prohibited from discussing, responding, or acting on any comments or items that have not been properly posted on the agenda. This forum is limited to a total of 30 minutes.*

**4. Minutes:**

**a. November 18, 2024**

MOTION: Carla Pendergraft motioned to approve the minutes.

SECOND: Brad Wetzel

FOR: Jason Blanek, Carla Pendergraft, Kelly Yarbrough and Brad Wetzel.

AGAINST: None

ABSENT: Emily McKenzie

Motion carried 4-0.

**5. Commission and Corporation Reports:**

**a. Lorena Economic Development Corporation**

Chairman Kelly Yarbrough reported the meeting. The members had a couple of meetings and elected new officer. Kelly Yarbrough is Chairman, Brad Wetzel is Vice Chairman, Hob Howell is Secretary and Billy Borunda is Treasurer. Member Kyle Miller resigned so there is a vacancy on the board. The bylaws have been edited to allow the EDC to work with the city on the accounting and checking accounts. There was also a strategic planning workshop last week with plans to continue the strategic planning in January 2025.

**b. Lorena Planning and Zoning Commission**

No Meeting/no quorum.

**6. Discussion and possible action to accept the Bright Farms public infrastructure improvements as complete.**

City Manager Kevin Neal reported our City Engineer John Simcik with KPA Engineers has completed a final walkthrough of Bright Farms on November 21, 2024 and all punchlist items have since been completed. KPA is recommending acceptance of the public infrastructure associated with the referenced project by the City of Lorena and commencement of the 1-year warranty period.

MOTION: Jason Blanek motioned to accept the Bright Farms public infrastructure improvements as complete.

SECOND: Brad Wetzel

FOR: Jason Blanek, Carla Pendergraft, Kelly Yarbrough and Brad Wetzel.

AGAINST: None

ABSENT: Emily McKenzie

Motion carried 4-0.

**7. Discussion and possible action to cast votes for the 2025/2026 TCAP Board of Directors.**

**There was discussion on who to vote for. Mayor Ross made suggestions on who to vote for and Jason Blanek suggested voting for candidates from South Texas too.**

MOTION: Brad Wetzel moved to vote for Aimee Ferguson, Henry Arredondo, Clifford Howard, Jo Ella Wagner, Carey Neal Jr., Clayton Fulton, Mark Poland, and Gilbert Reyna Jr.

SECOND: Jason Blanek

FOR: Jason Blanek, Carla Pendergraft, Kelly Yarbrough, Emily McKenzie and Brad Wetzel.

AGAINST: None

ABSENT: None

Motion carried 5-0.

**8. Discussion and possible action approving the 2025 Employee Holiday schedule.**

City Manager Kevin Neal reported this is the same holiday schedule as last year.

MOTION: Carla Pendergraft moved to approve the 2025 Employee Holiday schedule.

SECOND: Emily McKenzie

FOR: Jason Blanek, Carla Pendergraft, Kelly Yarbrough, Emily McKenzie and Brad Wetzel.

AGAINST: None

ABSENT: None

Motion carried 5-0.

**9. Discussion and possible action changing the meeting dates for regular City Council meetings that fall on 2025 Federal Holidays recognized by the city.**

There was discussion on what day to hold the meetings and council consensus was to hold the meetings the Tuesday following the holidays.

MOTION: Emily McKenzie moved to hold the regular city council meetings for January and February 2025 on January 21<sup>st</sup> and February 18<sup>th</sup> at 6:30 p.m.

SECOND: Carla Pendergraft

FOR: Jason Blanek, Carla Pendergraft, Kelly Yarbrough, Emily McKenzie and Brad Wetzel.

AGAINST: None

ABSENT: None

Motion carried 5-0.

**10. Presentation and discussion on overnight tractor trailer parking at the Roadster Travel Center.**

City Manager Kevin Neal presented the attached on tractor trailer parking at the Roadster Travel Center. Topics in the presentation were the Lorena Zoning ordinance as it relates to parking as well as other ordinances addressing tractor trailer parking on private property within the city limits.

#### **11. Police Department Report.**

##### **a. November 2024 Monthly report**

Calls for service 183

Traffic stops 158

Total arrests 10

Mayor Ross reported he received a letter from the Baylor University Department of Public Safety acknowledging Chief Holt for his excellent operational support to the collective security efforts implemented during the 2024 Baylor University football season.

Chief Holt explained that there have been calls from people stranded at the Roadster for missing the bus when the busses stop at Roadster. Holt says the PD will provide a ride to these passengers to a nearby hotel and take them home if they live nearby. Holt stressed there have been no calls related to the overnight parking of tractor trailer trucks.

#### **12. City Manager Report.**

##### **a. Trash will run on Thursday, December 26, 2024, due to the Christmas holiday and Thursday, January 2, 2025, due to the New Year's Day holiday.**

Reminder that trash service will be delayed due to holidays.

##### **b. ARPA generator has arrived now waiting on ATS.**

The generator has arrived and we are now waiting on the automatic transfer switch.

##### **c. Certificate of appreciation plaque presented by Texas Health Benefits Pool for 10 years of participation with the pool.**

The city was presented with an award for 10 years of participation with the pool and plaque was presented to the Mayor.

##### **d. City Manager's upcoming vacation December 26, 2024 through January 3, 2025.**

Neal informed council he will be out of the office on vacation for a couple of weeks.

#### **13. Future Agenda Items.**

City Secretary Monica Hendrix reminded council of the Planning and Zoning meeting January 13<sup>th</sup> at 5:30 p.m. and City Council meeting on January 21<sup>st</sup> to discuss two conditional use permits for future development. Hendrix also reminded council there are still two vacant positions on Planning and Zoning and one vacant position on the Economic Development Corporation.

#### **14. Adjourn**

Due to no further business the meeting adjourned at 7:48 p.m.

These minutes were approved this 21<sup>st</sup> day of January 2025.

---

Tommy Ross, Mayor

Attest:

---

Monica Hendrix-City Secretary

## Sec. 78-72. - General parking restrictions.

- This section of the Lorena Code of Ordinance is not applicable to the Roadster Travel Center

- (a)No person shall stop, stand, or park a vehicle, except when necessary to avoid conflict with other traffic or in compliance with law or the directions of a police officer or traffic control device in any of the following places:
  - (1)On a sidewalk.
  - (2)In front of a public or private driveway.
  - (3)Within an intersection.
  - (4)Within 15 feet of a fire hydrant, unless otherwise marked.
  - (5)On a crosswalk.
  - (6)At an intersection within 30 feet of an existing intersecting curbline or projection of an intersecting curbline, unless otherwise marked.
  - (7)Between a safety zone and the adjacent curb or within 30 feet of points on the curb immediately opposite the ends of a safety zone, unless the chief of police has indicated a different length by signs or markings.
  - (8)Within 20 feet of the driveway entrance to any fire station.
  - (9)Alongside or opposite any excavation or street obstruction when stopping, standing, or parking would obstruct traffic.
  - (10)On the roadway side of any vehicle stopped or parked at the edge or curb of a street.
  - (11)Upon any bridge or other elevated structure upon a highway or within a street tunnel or underpass.
  - (12)At any place where official signs or markings prohibit stopping, standing or parking.
  - (13)In any fire lane.(b)No person shall move a vehicle not lawfully under his control into any such prohibited area or away from a curb such distance as is unlawful.

## Sec. 78-76. - Parking of vehicles restricted.

- This section of the Lorena Code of Ordinance is not applicable to the Roadster Travel Center.
- (a)It shall be unlawful for any person or any owner to leave, park, or stand any truck-tractor, road tractor, trailer, semitrailer, bus, or any other commercial motor vehicle bearing commercial license upon any public street, alley, parkway, boulevard, or public place; provided this section shall not apply to emergency vehicles, street construction, maintenance, and repair equipment, trucks, rollers, and implements, and trucks, equipment, trailers, and vehicles used by public service utility companies engaged in repairing or extending public service utilities, and to motorbuses when taking on or discharging passengers at the customary bus stops, and except all other vehicles designated herein when actually parked at a designated loading zone in those areas of limited parking where loading zones are designated; provided further that this subsection not apply to any vehicle defined or designated therein developing a mechanical defect after such vehicle has commenced to run, en route, making it unsafe to proceed further, and in this event, it shall be lawful to stand or park the vehicle during the time necessary to make emergency repairs.
- (b)It shall be unlawful for any person or owner to leave, park, or stand any recreational vehicle, truck-tractor, road tractor, semitrailer, bus, truck, or trailer with a rated capacity of 10,000 pounds or more according to the manufacturer's classification, or gross weight, upon any street, alley, or thoroughfare within any district zoned for residential purposes, according to city zoning ordinance (chapter 86). Provided, however, that such recreational vehicles, noncommercial, and commercial vehicles may be parked upon private property in such zones on such person's or owner's property, as provided, and to the extent allowed, in chapter 86. This subsection shall not prevent the parking or standing of the above-described vehicles in such zoned areas for the purpose of expeditiously loading or unloading passengers, freight, or merchandise.

## **Sec. 78-77. - Parking for certain purposes prohibited.**

- This section of the Lorena Code of Ordinance is not applicable to the Roadster Travel Center.
- No person shall park a vehicle upon any street for the principal purpose of:
  - (1)Displaying such vehicles for sale.
  - (2)Washing, greasing, or repairing such vehicles except repairs necessitated by an emergency.
  - (3)Displaying for sale or selling any merchandise.

## **Sec. 78-82. - Vehicles not to be parked longer than 48 hours.**

- This section of the Lorena Code of Ordinance is not applicable to the Roadster Travel Center.
- It shall be unlawful for any person, owner, or corporation to leave standing in any public street, alley, or other public place any vehicle, automobile, truck, trailer, or other character of private property unattended for a longer continuous period of time than 48 hours.

**ORDINANCE NO. 2019-1021-02**

**AN ORDINANCE OF THE CITY OF LORENA, TEXAS PROHIBITING OVERNIGHT PARKING OF COMMERCIAL MOTOR VEHICLES AND CAMPERS UPON PRIVATE PROPERTY; CREATING OFFENSES AND PROVIDING PENALTIES FOR VIOLATION; PROVIDING FOR PUBLICATION; AND AUTHORIZING SUBMISSION INTO THE CITY'S CODE OF ORDINANCES:**

**WHEREAS**, the utilization of commercial motor vehicles and campers upon private property within the City of Lorena for temporary residential purposes or temporary storage presents public safety concerns due to fire danger, increased crime, overcrowding, unsanitary conditions and accumulations of waste and debris due to lack of adequate potable water, wastewater, and solid waste facilities, and is contrary to the character and established uses of zoning districts within the City of Lorena; and

**WHEREAS**, Local Government Code section 601.001 grants a municipality by ordinance to regulate the parking of motor vehicles on private property; and

**WHEREAS**, the City Council finds that it is in the best interest of the citizens of the City of Lorena to implement commercial parking regulations.

**BE IT ORDAINED** by the City Council of the City of Lorena, Texas as follows:

**Section 1.** That the Code of Ordinances, City of Lorena, Texas, is hereby amended by adding a section - Division 3.- OVERNIGHT PARKING consisting of Section 78-125 to read as follows:

**Section 78-125. Parking Overnight**

- (a) Except as otherwise provided in the Lorena Zoning Ordinances, including but not limited to bona fide permitted truck stops, truck dealerships, truck repair, freight services and warehousing and industrial facilities, it is unlawful for any person to park and leave unattended any commercial vehicle or camper on non-residential private property in the City of Lorena between the hours of 9 p.m. and 9 a.m.
  - (i) This restriction does not apply to private parking lots of hotels, motels or other establishments providing overnight accommodations.
  - (ii) This restriction does not apply to private parking lots of establishments providing accommodations, meals, and other services for travelers between the hours of 9 p.m. and 9 a.m.
- (b) The term "commercial vehicle" shall mean truck-tractor, road tractor, semi-trailer, bus, truck or trailer or any other commercial vehicle with a rated carrying capacity of two (2) tons or more according to the manufacturer's classification.
- (c) The term "camper" shall include all travel trailers, towed trailers, folding camping trailers, fifth wheels, and truck campers.
- (d) Upon approval by resolution, the City Council may temporarily suspend the restrictions imposed by section 78-125 in order to accommodate special events held within the City. The resolution of suspension shall become effective forty-eight (48) hours prior to the official start of the scheduled event and shall terminate forty-eight (48) hours after official conclusion of the event.
- (e) Each day that a person remains in violation of this ordinance shall constitute a separate offense. In the prosecution of an alleged violation of this ordinance no proof of a culpable mental state shall be required. A person who violates this section shall be guilty of a class C misdemeanor and shall be punished by a fine not to exceed \$500.00 for each day or part thereof that the violation occurs. The registered owner of the vehicle and/or the driver is considered the responsible party.

**Section 2. Severability.** If any clause or provision of this Ordinance shall be deemed to be unenforceable for any reason, such unenforceable clause or provision shall be severed from the remaining portion of the Ordinance, which shall continue to have full force and effect.

**Section 3. Publication and Effective Date.** This Ordinance was approved this 21<sup>st</sup> day of October 2019 shall become effective following publication as required by law.

# Definitions according to Merriam-Webster

- <https://www.merriam-webster.com/dictionary/overnight>
- <https://www.merriam-webster.com/dictionary/night>

- **Overnight**
  - Adverb – during the night
  - Adjective – of, lasting, or staying the night
- **Night**
  - Noun - the time from dusk to dawn when no sunlight is visible

# 2021-0719-01 vs 2023-0821-01

1. The development is required to adhere to the conceptual Site Plan attached hereto as Exhibit 'B'.
2. The development is required to generally adhere to the conceptual Elevation attached hereto as Exhibit 'C'.
3. No outside storage or display is permitted on the property with the exception of one (1) ice sales freezer and one (1) propane cage.
4. **No overnight parking of semi-tractor trailer vehicles is allowed.**
5. Any construction resulting from the approval of this Conditional Use Permit must conform to the requirements set forth by the Lorena Zoning Ordinance, the International Building Code (IBC), the Lorena Municipal Code of Ordinances, city adopted engineering and fire codes, all local ordinances, and with all other applicable state and federal laws and regulations.
6. Due to the topography of the property and substantial elevation change in reference to the adjacent Interstate Highway corridor, one (1) pylon sign only is allowed on the Property, not to exceed fifty (50') feet in height, and meeting all other requirements for pylon signs in the (IC) Interstate Corridor District for only the use of convenience store with fuel sales on the Property. Any other use on the Property is required to conform to such Zoning Ordinance and sign regulations as may be in effect at the time of any change in use from convenience store with fuel sales.

1. The development is required to adhere to the conceptual Site Plan attached hereto as Exhibit 'B'.
2. The development is required to generally adhere to the conceptual Elevation attached hereto as Exhibit 'C'.
3. No outside storage or display is permitted on the property with the exception of one (1) ice sales freezer and one (1) propane cage.
4. **No overnight parking of semi-tractor trailer vehicles is allowed.**
5. Any construction resulting from the approval of this Conditional Use Permit must conform to the requirements set forth by the Lorena Zoning Ordinance, the International Building Code (IBC), the Lorena Municipal Code of Ordinances, city adopted engineering and fire codes, all local ordinances, and with all other applicable state and federal laws and regulations.
6. Due to the topography of the property and substantial elevation change in reference to the adjacent Interstate Highway corridor, one (1) pylon sign only is allowed on the Property, not to exceed eighty (80') feet in height and a maximum area of six hundred fifty (650) square feet attached hereto as Exhibit 'D', and meeting all other requirements for pylon signs in the (IC) Interstate Corridor District for only the use of a convenience store with fuel sales on the Property. Any other use on the Property is required to conform to such Zoning Ordinance and sign regulations as may be in effect at the time of any change in use from convenience store with fuel sales.

# What was said vs What is enforceable

- Representatives for the Roadster Travel Center stated in public hearings for the Conditional Use Permit (CUP) for their property that they would issue parking passes for the tractor trailer vehicles and that the parking passes would be valid for two (2) hours.
- Furthermore, Roadster representatives stated that they would have their own employees regulate the two (2) hour parking.
- Since the parking of semi tractor trailers is not prohibited by a law and only overnight parking of semi tractor trailers is prohibited as a condition of the CUP/Zoning of the property, the property owner is the only person that can be legally held accountable for an overnight parking violation.
- The burden of proof for the violation falls to the City, and could be cumbersome to overcome in a court of law.

# Opportunities for future improvement

- Be mindful of the customer base for the use in which the property is intended.
- City officials should be very specific as to the conditions specified within any CUP ordinance.
- Keep open lines of communication between City staff and the owner/management team of the property
- Monitor the situation and have conversations with the property owner/management team when an improvement plan needs to be initiated.
- As to date the Lorena PD has not received a call for service to the Lorena Roadster Travel Center that is directly or indirectly related to the overnight parking of semi tractor trailers.

# STAFF REPORT

**To:** Chairman Bagby and Members of the Planning & Zoning Commission

**From:** George Adams, Planning Consultant

**Date of Meeting:** January 13, 2025

**RE:** Conduct a Public Hearing and consider a recommendation to the City Council for a request from Amir Maknojia, applicant, for a Conditional Use Permit for a Convenience Store with Fuel Sales located within the IC – Interstate Corridor zoning district and being 10.00 acres of land generally located on the east service road I-35 and north of S. Old Temple Road. (Note: This project is also known as Foodie's Corner or FC Travel Center).

**HISTORY:** City Council previously approved a Conditional Use Permit for this site on December 19, 2022 (CUP-2022-01). In late 2023 the applicant requested a 1-year extension per section 3.2.4. of the Lorena Zoning Code. This extension was approved by the Zoning Administrator, extending the life of the Conditional Use Permit to December 19, 2024. The 2022 Ordinance is included as **Attachment A**.

The applicant is requesting to construct a convenience store/travel center business that will provide fuel sales and retail sales service to Interstate 35 travelers as well as local residents of the city. The conceptual site plan indicates the convenience store is proposed to be approximately 19,000 square feet in area. There are two gas canopy areas indicated on the concept plan, one parallel and in front of the main building and the other canopy behind the building for fueling large transport trucks. **Attachment B** provides the Applicant's summary of the project, including requested waivers or variances from city code. **Exhibit B** includes the site plan and preliminary plat for the project.

The required parking for the convenience store is one (1) space per one 140 square feet of building area plus one (1) space for each 3 gasoline pump units (a unit may have up to six (6) nozzles for gasoline disbursement) for a total of 140 required parking spaces. A total of 153 parking spaces are provided throughout the site with 118 spaces for cars and 35 spaces for large semi-tractor trucks.

A storm water detention pond and area for a septic system is proposed on the southern edge of the property. Two points of access into and out of the site are shown on the I-35 Interstate frontage road and two points of access in indicated on S. Old Temple Road.

**COMPREHENSIVE PLAN:** The Future Land Use Map for this area is designated as High Intensity Commercial and the application is in compliance with the Comprehensive Plan.

## **CONDITIONS OF APPROVAL**

If the Planning & Zoning Commission chooses to approve the applicant's request for a Conditional Use Permit for a convenience store with fuel sales, staff would propose the following conditions of approval:

- (1) That the development shall generally adhere to the conceptual Site Plan and Architectural Elevations (**Exhibits B and C**).
- (2) That no outside storage or display shall be allowed on the property with the exception of an ice sales freezer and a propane cage.
- (3) Any construction resulting from the approval of this Conditional Use Permit shall conform to the requirements set forth by the Lorena Zoning Ordinance, the International Building Code (IBC), the Lorena Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.
- (4) No parking for semi-truck is permitted over 24 hours.

**Planning and Zoning Commission recommendations are shown in red text below.**

In addition, the applicant is requesting to modify the ordinance by including the following, these are described in **Attachment B** and include:

- 1) Request to allow one pylon pole sign not to exceed 80' in height and with a maximum surface area of 785 square feet on the property, rather than the standards of Section 12.4.00 *Pylon Sign* which limit a pylon sign to 300 square feet in area and 25 feet in height. (**See Exhibit A**).  
**Recommend approval of 80' height and 785 sf area, with condition of removing one monument sign closest to pylon sign.**
- 2) Remove the following requirement and language: Permanent signs shall be posted at the entrance and parking lot islands and along the perimeter in and around the truck parking field that state "NO OVERNIGHT PARKING \_ VIOLATORS WILL BE TOWED AWAY AT VEHICLE OWNER'S EXPENSE".  
**Recommend Overnight parking-Permanent signs shall be posted at the entrance and parking lot islands and along the perimeter in and around the truck parking field that state "NO PARKING FROM 12AM TO 6AM \_ PARKING VIOLATORS WILL BE TOWED AWAY AT VEHICLE OWNER'S EXPENSE"**
- 3) Request to not provide sidewalks along I-35 Frontage Road and South Old Temple Road as required by Section 7.02 of the Lorena Subdivision Ordinance.  
**Recommend requiring sidewalks on both I-35 and Old Temple Road as per city ordinances.**
- 4) Per Section 10.2.4. *Use of Alternative Exterior Materials* request to allow building materials as shown **Exhibit C**, this will permit the use of stucco.  
**Recommend approval of applicant's request.**
- 5) Request to not provide landscape Foundation Plantings adjacent to the building per Section 6.12.5.E.  
**Recommend approval of applicant's request.**

- 6) Request to cluster street trees rather than provide at 40 feet spacing per Section 6.12.5.H.  
**Recommend approval of applicant's request. Trees that were to be placed at entrances on I-35 will be allocated at other areas of the property.**
- 7) Request to not have an interior landscape parking islands per Section 12.5.J.1:
- At the front of the proposed building.
  - At two locations on the north side of the property where truck parking is provided. Striped islands are proposed in lieu of landscaped islands.
  - Trees required for these landscape islands will be planted in other areas of the site.
- Recommend approval of applicant's request.**

**RECOMMENDATION:** This CUP is recommended for approval with the condition sidewalks are provided along Old Temple Road.

### AN ORDINANCE OF THE CITY OF LORENA, TEXAS

#### ORDINANCE NO. 2022-1219-01

**AN ORDINANCE OF THE CITY OF LORENA, TEXAS, AMENDING THE ZONING CODE SO AS TO GRANT A CONDITIONAL USE PERMIT TO ALLOW A CONVENIENCE STORE WITH FUEL SALES IN THE IC DISTRICT (INTERSTATE CORRIDOR ZONING DISTRICT) AND BEING 10.00 ACRES OF LAND IN THE JAMES SPROWLES SURVEY, ABSTRACT NUMBER 818, MCLENNAN COUNTY, TEXAS, BEING OUT OF THAT CALLED 5.78 ACRES OF LAND DESCRIBED IN A DEED TO RSB4 PROPERTIES B, LLC, RECORDED UNDER INSTRUMENT NUMBER 2010035985 OF THE OFFICIAL RECORDS OF MCLENNAN COUNTY, TEXAS, BEING OUT OF THAT CALLED 5.51 ACRES OF LAND DESCRIBED IN A DEED TO RSB4 PROPERTIES B, LLC, RECORDED UNDER INSTRUMENT 2010035985 OF THE OFFICIAL PUBLIC RECORDS OF MCLENNAN COUINTY, TEXAS, BEING OUT OF THAT CALLED 5.51 ACRES OF LAND DESCRIBED IN A DEED TO RSB4 PROPERTIES B, LLC, RECORDED UNDER INSTRUMENT NUMBER 2010035986 OF THE OFFICIAL PUBLIC RRECORDS OF MCLENNAN COUNTY, TEXAS, AND BEING OUT OF THAT CALLED 412.29 ACRES OF LAND DESCRIBED IN A DEED TO ROBERT S. BRASWELL IV, RECORDED IN VOLUME 1645, PAGE 322 OF THE DEED RECORDS OF MCLENNAN COUNTY, TEXAS, GENERALLY LOCATED ON THE EAST SERVICE ROAD OF INTERSTATE HIGHWAY 35 NEAR SOUTH OLD TEMPLE ROAD; MAKING FINDINGS OF FACT; PROVIDING FOR RELATED MATTERS; AND ESTABLISHING AN EFFECTIVE DATE.**

**WHEREAS**, the owner of the property described hereinafter (the "Property") has requested that the Property be granted a CUP (Conditional Use Permit) to allow a convenience store with fuel sales in the IC District (Interstate Corridor Zoning District); and being 10.00 acres of land in the James Sprowles Survey, Abstract Number 818, McLennan County, Texas, being out of that called 5.78 acres of land described in a deed to RSB4 Properties B, LLC, recorded under Instrument Number 2010035985 of the Official Records of McLennan County, Texas, being out of that called 5.51 acres of land described in a deed to RSB4 Properties B, LLC, recorded under Instrument Number 2010035985 of the Official Public Records of McLennan County, Texas, being out of that called 5.51 acres of land described in a deed to RSB4 Properties B, LLC, recorded under Instrument Number 2010035986 of the Official Public Records of McLennan County, Texas, and being out of that called 412.29 acres of land described in a deed to Robert S. Braswell IV, recorded in Volume 1645, Page 322 of the Deed Records of McLennan County, Texas generally located on east service road of I-35 and near S. Old Temple Road; and

being more fully described in *Exhibit 'A'* of this ordinance, which is attached hereto and incorporated herein for all purposes; and

**WHEREAS**, after giving at least ten (10) days written notice to the owners of land within two hundred (200') feet of the Property, the Planning & Zoning Commission held a public hearing

on the proposed CUP (Conditional Use Permit) for a convenience store with fuel sales and forwarded its recommendation on the request to the City Council; and

**WHEREAS**, after publishing notice of the public hearing at least fifteen (15) days prior to the date of such hearing, the City Council at a public hearing has reviewed the request and the circumstances of the Property and finds that the request warrants approval.

**NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF LORENA, TEXAS, THAT:**

**SECTION 1. Findings.** The foregoing recitals are hereby found to be true and correct and are hereby adopted by the City Council and made a part hereof for all purposes as findings of fact.

**SECTION 2. Amendment of Zoning Ordinance.** Ordinance No. 2018-1210-01, as amended, the City of Lorena Composite Zoning Ordinance (the "Zoning Ordinance" or "Code"), is hereby modified and amended by granting the CUP (Conditional Use Permit) on the Property as set forth in Section 3.

**SECTION 3. Property Rezoned.** The Zoning Ordinance is hereby amended by granting a CUP (Conditional Use Permit) for a convenience store with fuel sales in the IC – Interstate Corridor District on property described on Exhibit 'A' and shall be subject to the following conditions:

1. That the development shall adhere to the conceptual Site Plan attached hereto as Exhibit 'B'.
2. That the development shall generally adhere to the conceptual Elevation attached hereto as Exhibit 'C'.
3. No outside storage or display shall be allowed on the property with the exception of an ice sales freezer and a propane cage.
4. Any construction resulting from the approval of this Conditional Use Permit shall conform to the requirements set forth by the Lorena Zoning Ordinance, the International Building Code (IBC), the Lorena Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.
5. No overnight parking permitted.
6. Permanent signs shall be posted at the entrance and parking lot islands and along the perimeter in and around the truck parking field that state "NO OVERNIGHT PARKING – VIOLATORS WILL BE TOWED AWAY AT VEHICLE OWNER'S EXPENCE"

**SECTION 4. Recording Zoning Change.** The City Council directs the Planning Department to record this zoning classification on the City's official zoning map with the official notation as prescribed by the City's zoning ordinance.

**SECTION 5. Severability.** Should any section or part of this Ordinance be held unconstitutional, illegal, or invalid, or the application to any person or circumstance for any reasons thereof ineffective or inapplicable, such unconstitutionality, illegality, invalidity, or ineffectiveness of such section or part shall in no way affect, impair or invalidate the remaining portion or portions thereof; but as to such remaining portion or portions, the same shall be and remain in full force and effect and to this end the provisions of this Ordinance are declared to be severable.

**SECTION 6. Penalty.** Any person, firm or corporation who shall violate any of the provisions of this Ordinance or who shall fail to comply with any provisions hereof within the corporate limits of the City of Lorena shall be guilty of a misdemeanor and upon conviction shall be fined with the maximum fine in the amount of two thousand dollars (\$2,000) for a violation of any provision governing the public health, safety, morals and welfare and shall be fined with the maximum fine in the amount of five hundred dollars (\$500) for any other violation.

**SECTION 7. Open Meetings.** That it is hereby officially found and determined that the meeting at which this Ordinance is passed was open to the public as required and that public notice of the time, place, and purpose of said meeting was given as required by the Open Meetings Act, Chapt. 551, Texas Government Code.

**SECTION 8. Effective Date.** The Mayor is hereby authorized to sign this ordinance and the City Secretary to attest.

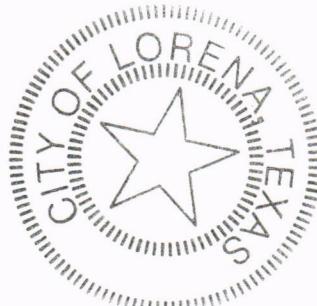

PASSED AND APPROVED on this the 19th day of December, 2022.

ATTEST:

Monica Hendrix  
Monica Hendrix, City Secretary

THE CITY OF LORENA, TEXAS:

Tommy Ross  
Tommy Ross, Mayor

---

October 28, 2024

Monica Hendrix  
City Secretary  
107-A, S. frontage rd. Lorena, Texas 76655

**Engineering Summary Letter  
Conditional Use Application  
McLennan County Parcel ID: 358367**

*On behalf of Bruceville Development LLC, please accept the attached conditional use permit application change application for the proposed Foodie's Corner Travel Center located at Northeast Corner of the intersection of I-35 and South Old Temple Road.*

*The 10-acre tract is located within the full purpose jurisdiction of City of Lorena city limits and is currently zoned in the Interstate 35 Planned Corridor District (IC). In December 2022, a conditional use permit for this tract was approved under the zoning ordinance number. 2022-1219-01 to allow for a convenience store with fuel sales. A one-time extension planned to expire in December 19, 2024 was also granted for this site.*

*The primary purpose of this conditional use permit is to allow this development an 80' high pole sign as per the attached **Exhibit A**. Due to the location of the site and the adjacent I-35 corridor, a sign of such nature will help travelers easily identify the site and safely exit the interstate if they plan to stop.*

*As the City may be aware, we are very excited for the Foodie's Corner's Travel Center to be in the City of Lorena. We are asking for this sign so that we can compete with other Travel Centers on the I-35 corridor. This project will be a \$15M+ facility that plans to add 30+ employees. We are hoping the city staff considers our request and helps us build a successful project located in the City of Lorena.*

*As part of this application, we would like to modify the conditions as part of zoning ordinance number. 2022-1219-01 as follows:*

1. *That the development shall adhere to the conceptual site plan attached hereto as **Exhibit B**.*
2. *That the development shall generally adhere to the conceptual elevation attached hereto as **Exhibit C**.*
3. *No outside storage or display shall be allowed on the property with the exception of an ice sales freezer and a propane cage.*
4. *Any construction resulting from the approval of this Conditional Use Permit shall conform to the requirements set forth by the Lorena Zoning Ordinance, the International Building Code (IBC), the Lorena Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.*
5. *No parking for semi-truck is permitted over 24 hours.*
6. *Permanent signs shall be posted at the entrance and parking lot islands and along the perimeter in and around the truck parking field that state "NO OVERNIGHT PARKING - VIOLATORS WILL BE TOWED AWAY AT VEHICLE OWNER'S EXPENCE". If this note is consistent with other developments in the City of Lorena, we are open to adding this as a condition. Just looking at this site and the proximity to how far all the residential developments are located, we would like to remove this as a condition.*
7. *Allow one pylon pole sign not to exceed 80' in height and with a maximum advertisable surface area of 604 sq.ft. and fuel display surface area of 355 sq.ft.*

**Alternate Compliance/ Modification Request:**

1. Request for a pole sign as described above and shown in **Exhibit A**.

**Reasoning:** Please see above.

2. Request to not provide sidewalks along I-35 Frontage Road and South Old Temple Road. This is consistent to what is being shown in the site plan and the prelim plat, **Exhibit B**.

**Reasoning:**

- Sidewalks along TxDOT Interstate 35 Frontage Road pose pedestrian safety concerns with the posted speed limit.
- Sidewalks are not existent in the immediate vicinity of this project, and adding sidewalks would not be congruent with the current land use and traffic patterns.
- Similar developments in the area, such as the Roadster development on I-35 and Old Temple Road, did not construct sidewalks along either right-of-way.
- Sidewalk on I-35 frontage was not provided under the approved under the zoning ordinance number. 2022-1219-01.
- Sidewalk on South Old Temple Road can be addressed with the agreement and the TIA coordination ongoing with the city staff. Our intent is the sidewalk in South Old Temple Road shall be built when there is ROW improvement or when the road is expanded. We don't want don't to install a sidewalk that could potentially be demolished in the future.

3. Request to allow building materials as shown **Exhibit C**, which includes the use of stucco.

**Reasoning:** No new building materials are being proposed when comparing to what was previously approved under the approved under the zoning ordinance number. 2022-1219-01. The Exhibit C, provided with application mainly just shows the use of stucco instead of the Ceraclad panels (EIFS) that were being utilized on the side of the building. This is mainly due to the significant cost increase in materials in recent years.

4. Foundation Plantings (Section 6.12.5.E) - This project is a travel center/ gas station, much of the space against the side of the building is needed for things like ice chests, propane lockers, or other similar uses. Given this, it is not feasible for this project to provide the required foundation plantings as specified.

**Reasoning:** We are proposing additional planting beds throughout the site to make up for this deficit. The area of these additional beds combined will be greater than the area that the ordinance would have otherwise required.

5. Street Trees (Section 6.12.5.H) - Considering this project is a travel center/ gas station, it is our priority to maintain as much visibility from the street as we possibly can. The I-35 N corridor is a very busy route, and we believe it is crucial to be visible to drivers on this road. Given this, we are requesting permission to cluster trees within the bufferyard area in order to maximize this visibility from I-35.

**Reasoning:** With this design, we will retain the required number of trees, but reorganize them so that they provide better visibility from I-35 while still providing a buffer and screening from the street and adjacent properties at the same time.

6. Parking Lot Islands (Section 6.12.5.J.1)
  - a. At the front of our proposed building, we show 18 consecutive parking spaces without an interior parking island. We are requesting permission to not have an interior parking island breaking up this row.

**Reasoning:** On the row of parking along I-35, we are showing 33 parking spaces with five parking islands – one on each end and three in the middle. According to the ordinance, this row of 33 parking spaces should only require three parking islands. Because we are providing two additional parking islands in this row, we would like this excess to make up for the lack of a parking island on front of the building.

The following attachments are part of this application:

**Exhibit B** – Includes Overall Site Plan and Preliminary plan, which have addressed the first round of comments from both the city and planning staff.

**Exhibit C** - Building elevations.

If you have any questions or need any clarification, please reach out to me directly at (512) 909-1677 or via email at [nuresh11@yahoo.com](mailto:nuresh11@yahoo.com).

Sincerely,  
Nuresh Maknojia

# STAFF REPORT

**To:** Chairman Bagby and Members of the Planning & Zoning Commission

**From:** George Adams, Planning Consultant

**Date of Meeting:** January 13, 2025

**RE:** Conduct a Public Hearing and consider a recommendation to the City Council for a request from Brian Dlugosch, applicant, for a Conditional Use Permit (CUP-2024-002) for a Convenience Store with Fuel Sales located within the IC – Interstate Corridor zoning district and being approximately 16.77 acres of land generally located at the intersection of I-35 North Frontage Road and S. Bordon Street. (Note: This project is known as the Texan Travel Center).

The applicant is requesting to construct a convenience store/travel center business that will provide fuel and retail sales services to Interstate 35 travelers and local residents. The conceptual site plan indicates the convenience store is proposed to be approximately 20,850 square feet in area. There are two gas canopy areas indicated on the concept plan, one parallel to and in front of the building indicates twenty-eight (28) pumps and the other canopy to the south side of the building has eight (8) diesel pumps primarily for fueling large transport trucks. **Exhibit A** includes the applicant's summary of the project, requested waivers or variances from city code, and site plans. **Exhibit B** includes architectural plans and elevations.

The required parking for the convenience store is one (1) space per one 140 square feet of building area plus one (1) space for each 3 gasoline pump units (a unit may have up to six (6) nozzles for gasoline disbursement) for a total of 157 required parking spaces. A total of 237 parking spaces are provided throughout the site.

A storm water detention pond is proposed on the northern edge of the property. One point of access into and out of the site is shown on the Interstate 35 frontage road and one point of access out of the site (right turn only) is indicated on S. Bordon Street.

**COMPREHENSIVE PLAN:** The Future Land Use Map for this area is designated as Neighborhood Service. The application for a convenience store with fuel sales is not in compliance with the Comprehensive Plan Future Land Use Map.

## **CONDITIONS OF APPROVAL**

If the Planning & Zoning Commission chooses to approve the applicant's request for a Conditional Use Permit for a convenience store with fuel sales, staff would propose the following conditions of approval:

- (1) That the development shall generally adhere to the conceptual Site Plan and Architectural Elevations (**Exhibits A and B**).

- (2) That no outside storage or display shall be allowed on the property with the exception of an ice sales freezer and a propane cage.
- (3) Any construction resulting from the approval of this Conditional Use Permit shall conform to the requirements set forth by the Lorena Zoning Ordinance, the International Building Code (IBC), the Lorena Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.
- (4) Egress to S. Bordon Street will be right turn only. Left turns from the site onto S. Bordon Street will be restricted by the installation of a physical barrier such as a traffic diverter and signage.

In addition, the applicant is requesting to modify the ordinance by including the following, these are described in **Exhibit A** and include:

- 1) Request to allow one pylon pole sign not to exceed 90' in height on the property, rather than the standard of Lorena Zoning Code Section 12.4.00 *Pylon Sign* which limits a pylon sign to 25 feet in height. (**See Exhibit A**).
- 2) Per Section 10.2.4. *Use of Alternative Exterior Materials* request to allow the use of EIFS for varying percentages of each façade of the building, and 100% of the fuel canopies, as specified in **Exhibit A**.

**The Planning and Zoning Commission recommendation is shown in red text below.**

**RECOMMENDATION:** This CUP is recommended for approval with the conditions identified above.

**The Planning and Zoning Commission recommended denial of the Conditional Use Permit.**

**List of Attachments and Exhibits:**

Exhibit A – Applicant’s Summary Letter, Requested Waivers or Variances from City Code, and Site Plans.

Exhibit B – Architectural Plans and Elevations.

The Texan Stores  
PO Box 338  
Yorktown, Texas 78164

City of Lorena Planning and Zoning Committee  
107-A South Frontage Road,  
Lorena, TX 76655

June 13, 2024

Dear City of Lorena Planning and Zoning Committee,

The Texan Stores is seeking a Conditional Use Permit with The City of Lorena to build a Texan Travel Center at I-35 and S. Bordon Street. The legal descriptions of these properties are AERL Lot 21A Block 3 Acres 15.144 and DAVIS H E Acres 1.623. The zoning of this property is IC. The applicant's name is Brian Dlugosch – Owner of The Texan Stores with a mailing address of PO Box 338, Yorktown, Texas 78164. This property along with our pad sites will become commercial and the surrounding area will be the same as it is today. Local traffic patterns should not be affected.

The Texan Stores project is compatible with the City of Lorena Comprehensive Plan. The Texan Stores will bring business to Lorena with a hometown feel as stated in the Vision Statement of the City of Lorena Comprehensive Plan. We have comfort foods and products for all consumers.

- In Chapter 2, The Comprehensive Plan states that the population is expected to increase in Lorena and McLennan County in the near future. As the population, The Texan will be able to provide more employment opportunities along with the goods and services that we offer.
- The majority of the surrounding properties are largely undeveloped. The vacant land going south is available for future growth for The City of Lorena. This project will fit in and create a positive impact for The City of Lorena with all of our amenities.
- Current and future neighborhood conditions should not be impacted because Walter Street divides the residences from the proposed Texan site. The project will exist and enhance the surrounding area. Please refer to the site plan for visual interpretation of the proposed future conditions.
- Please see site plans for pedestrian and vehicular traffic patterns, on-site and off-site. The Texan Stores sites all comply with the Americans with Disabilities Act (ADA) in grade and safety. We understand that The City of Lorena does not support commercial vehicle

access to S. Bordon Street. The Texan Stores will install adequate signage in an effort to assist with prohibiting left turns by commercial vehicles on S. Bordon Street. See submitted site plan for curbed area that restricts left turn access to S. Bordon Street and notes signage indicating right turn only and a \$500 fine for trucks.

- As far as development constraints, we understand there may be limited supply of adequate public facilities. However, our development will require sufficient water flow for the building, sewer lines, and water for fire flow.
- The Texan Stores will meet Objective 2 in Chapter 3 of The Comprehensive Plan by increasing commercial and retail uses to provide more shopping opportunities for residents and visitors.
- In Chapter 4, regarding future land use and Chapter 6, Objective 2, regarding the effort to attract destination-based retail, The Texan Stores is helping to develop the area along I35 by bringing a destination one stop shop for retail and restaurant services to The City of Lorena.
- Chapter 7 of The Comprehensive Plan states that Lorena's goal is to preserve and enhance its cultural and historic resources. The Texan Stores understands this goal and will preserve by not disturbing any historic resources.
- The Texan Stores kindly requests to vary from the masonry standards and use the following percentage of masonry for each façade.
  - Front Façade: 83% masonry, 17% EIFS (complies w/ city requirements)
  - Rear Façade: 29% masonry, 71% EIFS
  - Side 1 Façade: 47% masonry, 53% EIFS
  - Side 2 Façade: 42% masonry, 58% EIFS
  - Total Building: 50% masonry, 50% EIFS
- The average percentage of masonry (stone) on all sides of the building is 50%. The front of the building is 83% masonry (stone). We request EIFS to be counted as masonry construction to satisfy the 75% masonry requirement on the back and sides of the building.
- The Texan Stores also requests approval for the fuel canopies to be 100% EIFS.
- See attached Elevation and Aerial Survey for Hi Rise Pylon Sign request.

The Texan Stores have 15 years in the marketing, development, operation, and management of food and beverage establishments, multi-island fueling stations, and convenience stores. We were founded by the Dlugosch family of Yorktown, Texas, in 2007, a family with small town roots. The first store was built by the family from the ground up in their hometown. Our corporate office is located in our hometown of Yorktown, a small community with a population of less than 1800 people. The Texan Stores takes pride in creating a small town atmosphere at all of our locations. Since then, the Texan has built many stores all over Texas. Our mission is to continue seeking locations throughout Texas to meet the needs of busy families. We currently have 15 locations that are presently operating and 1 currently under construction. Comparable to our current stores, this store will be a new ground-up travel center with expansive fuel pumps, fueling options, food service, dining areas, retail merchandise, and lottery.

The Texan Stores employs over 500 full-time/part-time employees at its current locations. We can be expected to bring 45-50 employees to this site and strive to hire locally whenever possible. We have multiple General Managers with numerous years of experience and qualifications in the convenience store industry, who frequently travel throughout all stores. Our General Managers ensure that all sites are operating efficiently. The proposed store would be open 24/7/365.

The Texan Stores has a proven history of successful community building collaborating closely with

community leaders and governmental entities to create "The Texan" experience. The addition of the proposed Texan store to your community will greatly benefit Lorena and surrounding areas. We pride ourselves on our consistent customer service. From our friendly staff to our fast and fresh made-to-order food service, we offer it all! We revolve our business technique around fresh made-to-order food, quality, and genuine customer service. We know that building a good customer service experience does not happen by accident; it happens by design. From our fresh gourmet salads and sandwiches, our made-to-order homemade burgers, and our lunch and dinner specials, there is no shortage of choice at The Texan Stores. We are your ultimate "one stop shop!" When you come to fuel up, stay and dine with us in our dining room or stay and shop in our convenience and gift side. You will love our spacious dining areas equipped for families and groups of all sizes. Also, do not forget to check out our family-friendly, clean restrooms! We will have adequate public facilities for all our patrons.

The Texan Stores Amenities include fresh, unique, homestyle foods prepared only at the Texan Stores including BBQ, Fresh Bakery Items, Grab & Go selections, Hot and Cold fresh-made options as well as Made-to-Order Burgers and more. We offer Dine-In Seating and top of the industry well-lit stores. Customers rave about our large, clean restrooms. We maintain fully staffed stores to provide excellent customer service operating 24/7/365. We can provide resources to your community by filling the opportunity gap in gas stations and food service establishments.

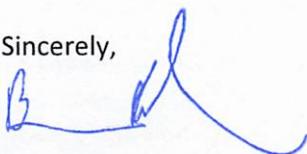

The Texan has prior experience and knowledge to be able to obtain all necessary permits and licenses for this project. Below are listed permits that are generally required for a project of this industry and scope:

- Construction permit
- Electrical permit
- Plumbing permit
- City permit
- Notify the state and county prior to construction start
- Inspections – fire and tank

The Texan Stores will contract with the appropriate vendors to manage and ensure the completion of the project including construction, installation, equipment procurement, permits, zoning, codes, inspections, and meeting all requirements. We have knowledge in acquiring all permits and licenses that are required for day-to-day operations. We understand and maintain the necessary renewals in a timely manner as well. The Texan Stores has liquor licenses for all our current stores and will obtain the same for this proposed site. We are familiar with the requirement of obtaining and maintaining all health department approvals.

We also have a video of The Texan Store at the proposed site in Lorena that we plan to share with you all at the meeting. If you have any questions before the meeting, please contact Brian Dlugosch at 361-935-9441 or Terence Moeller at 361-935-5157. We look forward to working with you to discuss the opportunity to partner with The City of Lorena in the near future.

Sincerely,

A handwritten signature in blue ink, appearing to read "B" and "Dlugosch".

Brian Dlugosch, Member  
The Texan Stores

Elevation and Aerial Survey for Hi Rise Pylon Sign  
The Texan Stores  
S. Borden Street, Lorena, Texas

September 10, 2024

Mr. Brian Dlugosch,

A site survey was conducted at the proposed store location on South Borden Street in Lorena, Texas. The property lies on the west side of Interstate 35 and on the south side of South Borden Street. A pylon sign height was being researched to allow for maximum visibility to alert oncoming traffic to the location of the store before exits 322 on the south bound land and 323 on the northbound lanes. The picture below depicts the location of the property in reference to S. Borden Street and I-35.

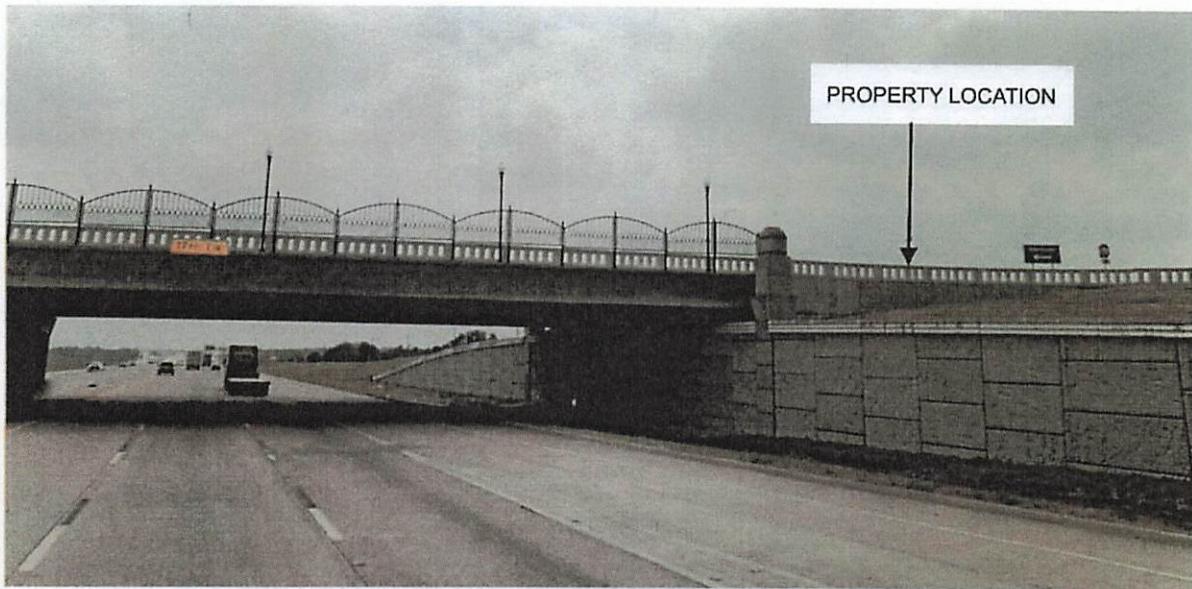

The property is set at an elevation below that of the I-35 access road and below the I-35 main corridor itself. The elevation difference between the proposed area for the hi rise pylon sign (587') and the surface of the I-35 access road (623' – Height at overpass) is about 36'. This dimension is similar to the height of the overpass in the center over I-35 with the overpass being 2' higher. The access road heights vary greatly when traversing beside the main north and south corridors of the interstate. The following photos depict the height variance at the Old Temple Road overpass in front of the property.

ACCESS ROAD  
ELEVATION: 623'

The elevation of the main I-35 corridor on both the south bound and north bound sides averages just under 600' +/- with measurements taken at various locations between the Old Lorena Road overpass to the Callen Ranch Road overpass. The access roads on both sides were noticeably higher near the overpasses and leveled out to an elevation closer to the main corridor on the south and north bound lanes of I-35.

This distance from exits 322 on the North and South lanes is shown below on the following pictures to show the 90' OAH pylon sign as close to scale as possible to demonstrate visibility and readability for travelers. This distance is from possible vehicle locations on the interstate directly looking at the potential pylon sign location. These distances will vary slightly as the exact sign location is narrowed down upon construction. As can be seen, the sign structure is at 90' OAH but the base of the structure is sitting around 25-28' on average from the surface elevation of the interstate highway.

The first set of photos demonstrates various locations and distances on the southbound side of the interstate highway looking towards the proposed sign location. The photos include a aerial picture of the interstate from where vehicles would exit at .78 miles to the closest look at .25 miles.

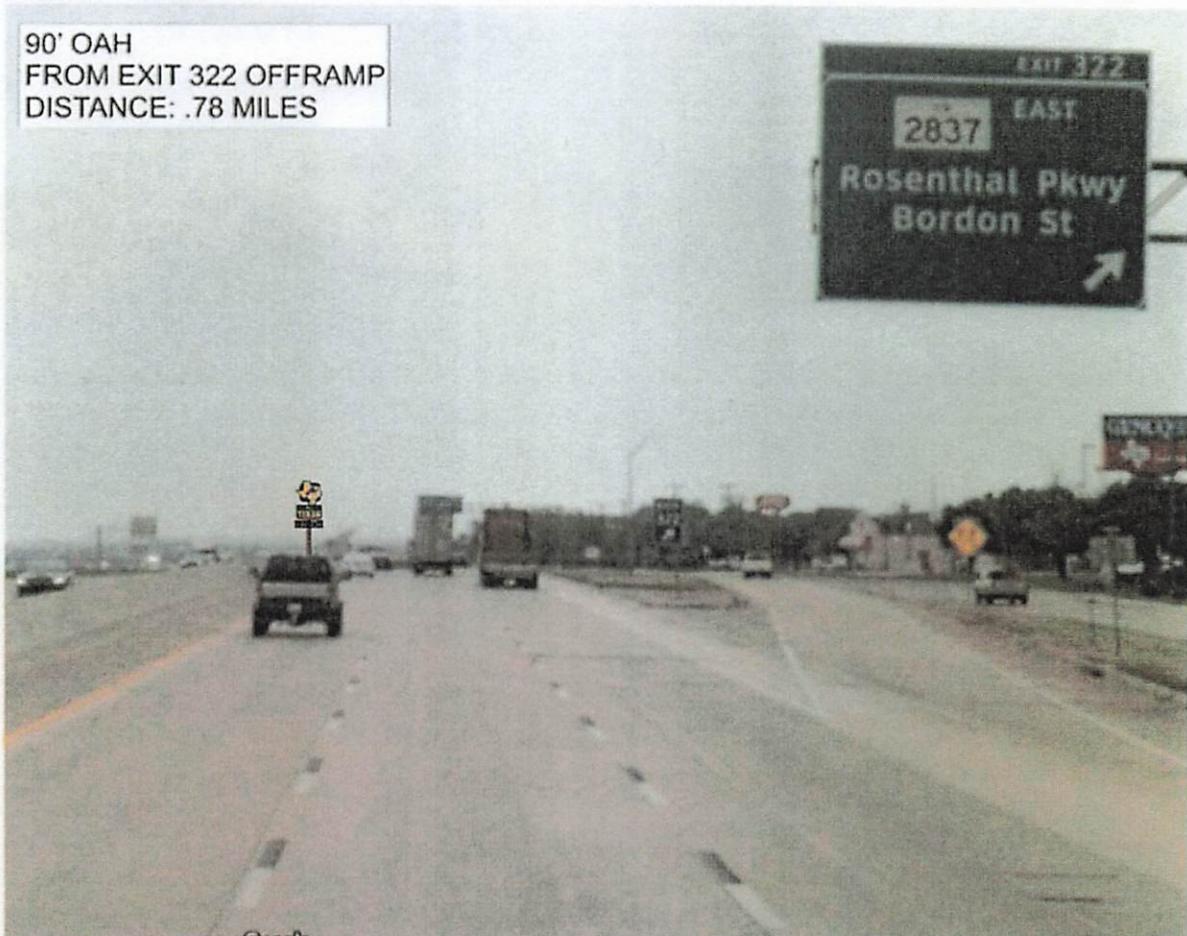

**SOUTH BOUND LANE**

SOUTH BOUND LANE

90' OAH  
FROM EXIT 322 OFFRAMP  
DISTANCE: .78 MILES

EXIT 322  
2837 EAST  
Rosenthal Pkwy  
Bordon St

## SOUTH BOUND LANE

90' OAH  
DISTANCE: .75 MILES

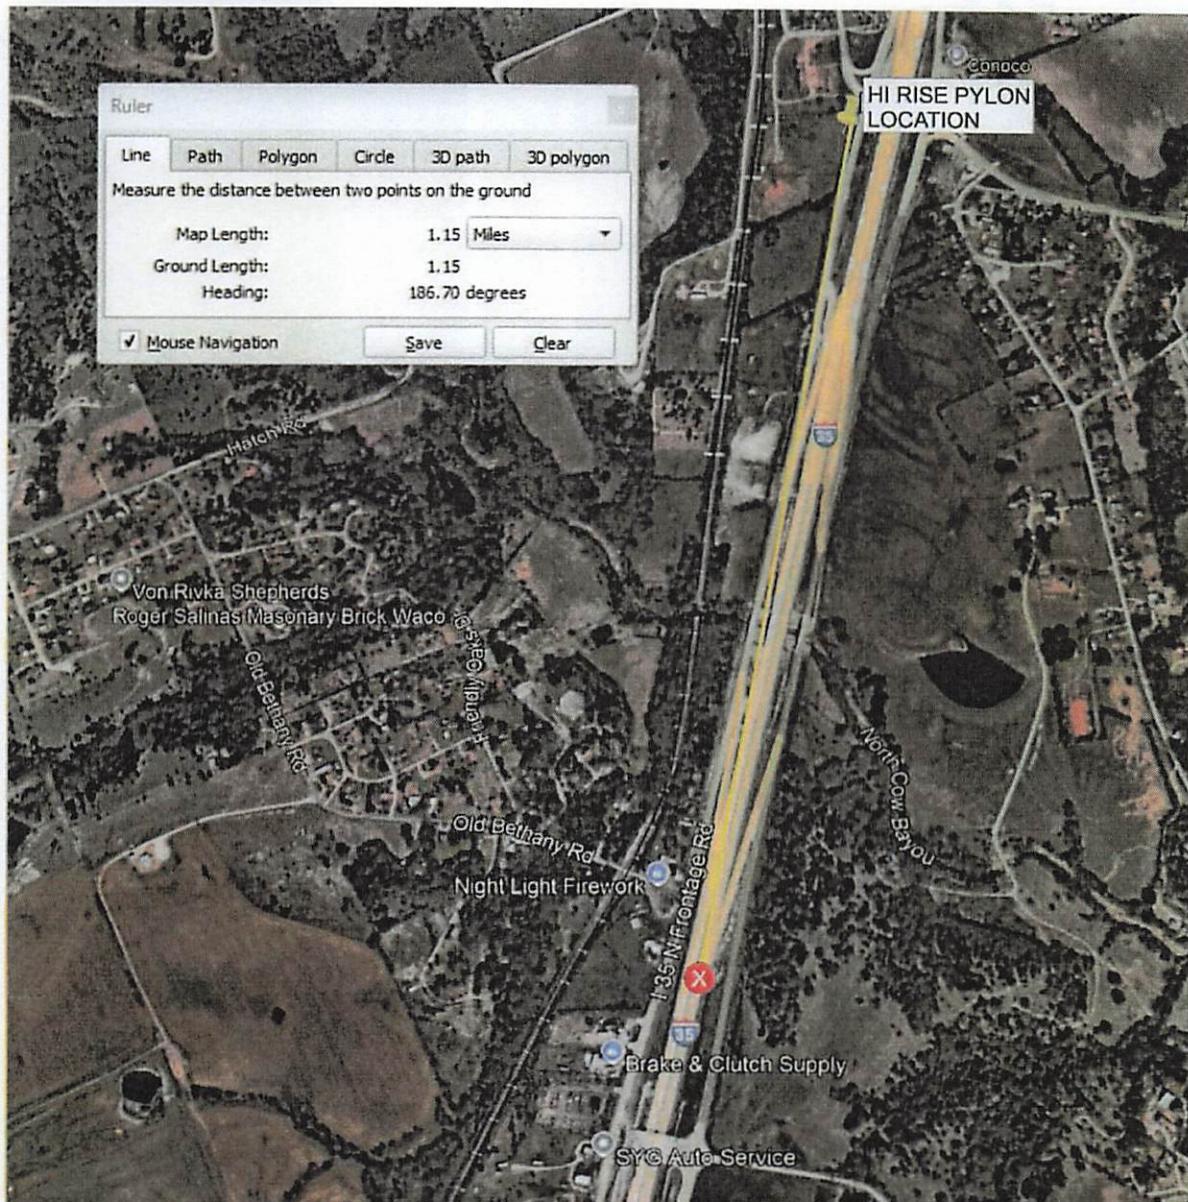

SOUTH BOUND LANE

90' OAH  
DISTANCE: .25 MILES

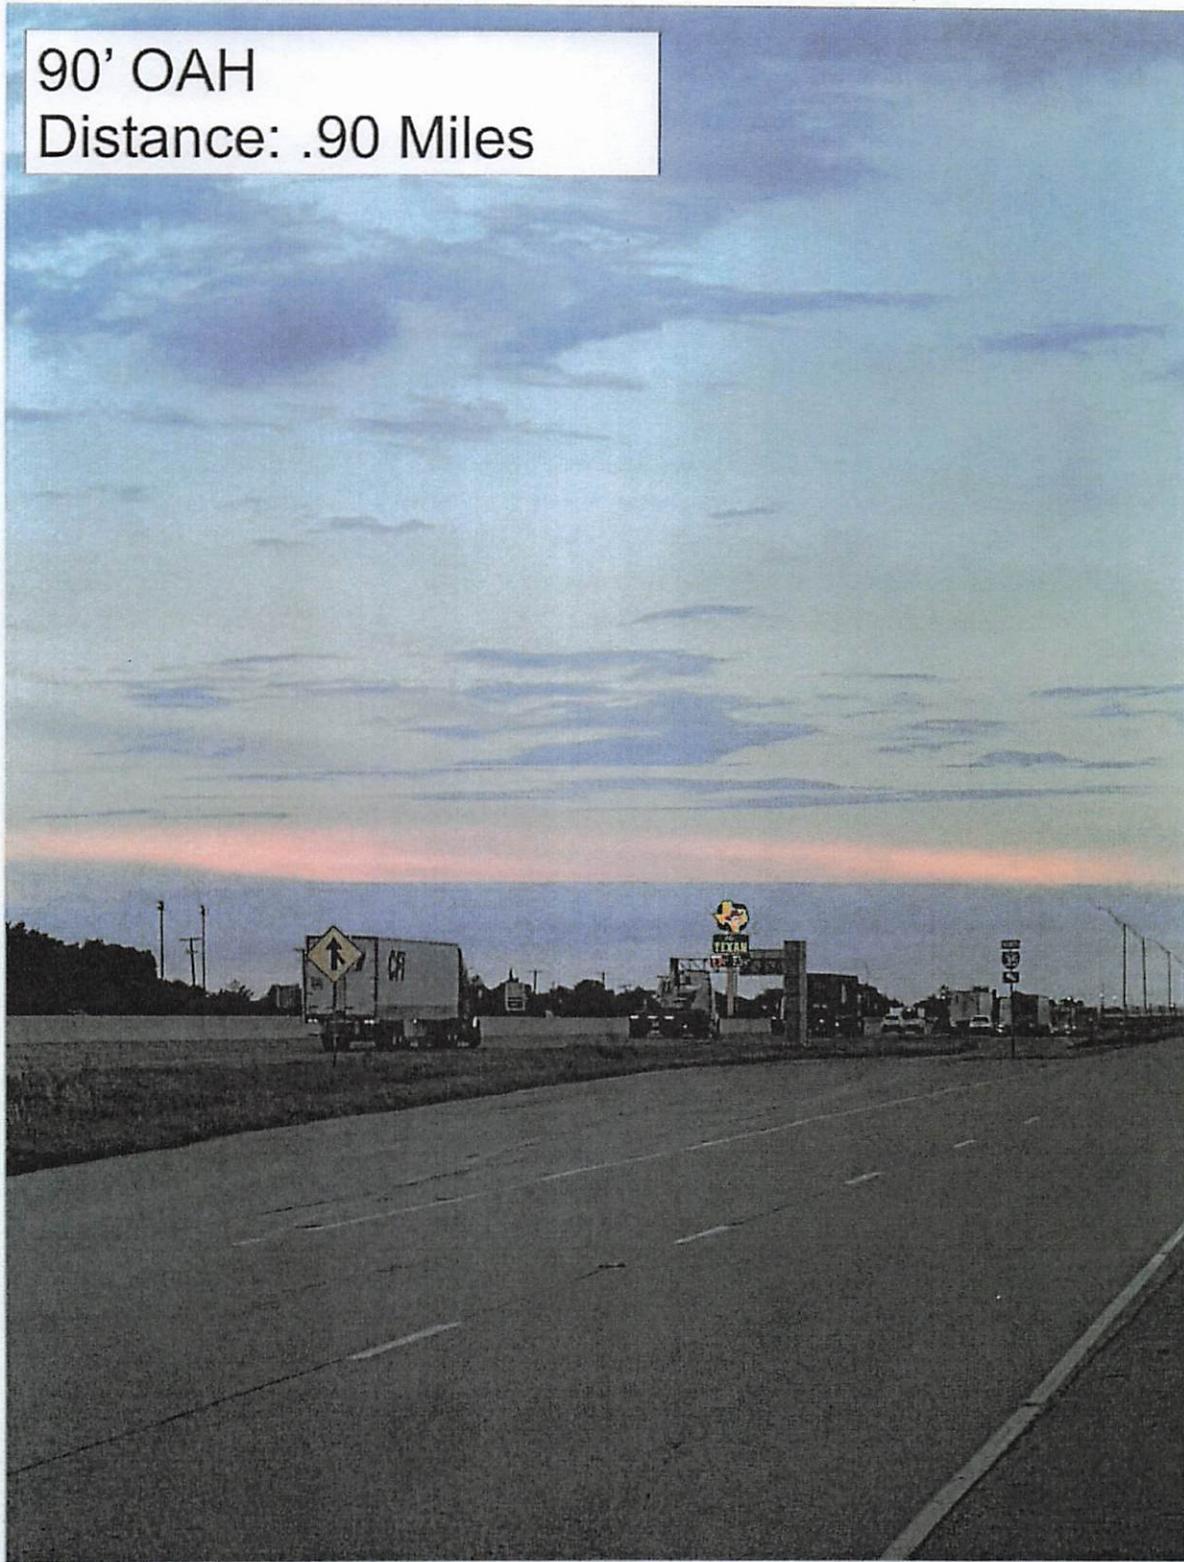

This next set of photos demonstrates various locations and distances on the northbound side of the interstate highway looking towards the proposed sign location. The photos also include an aerial picture of the interstate from where vehicles would exit at 1.2 miles. The decision to exit would add another one-half mile or so to this distance. As can be seen, the 90' sign structure is needed to alert the traffic flow of the upcoming exit and the possibility of fuel and other items when they cross under Callen Ranch Road.

#### NORTH BOUND LANE

## NORTH BOUND LANE

90' OAH  
Distance: .90 Miles

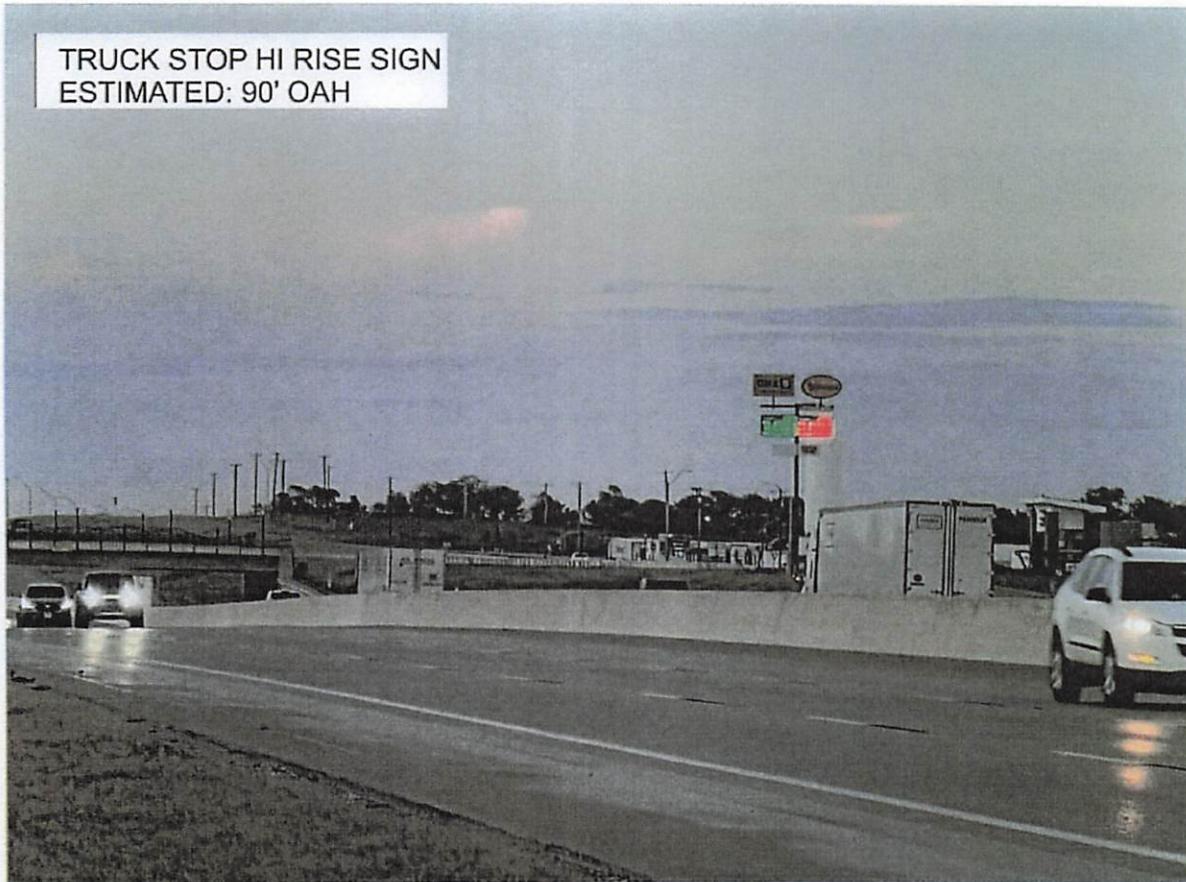

## NORTH BOUND LANE

90' OAH  
FROM EXIT 322 OFFRAMP  
DISTANCE 1.2 MILES

Although there was little to compare the proposed pylon sign height to, the truck stop on the northeast corner of I-35 and Old Lorena Rd. has a hi rise pylon that is similar in height to what is being proposed on property for The Texan. The main difference between these locations is that the truck stop sits on a hill higher than the proposed Texan location yet has a sign like what is being proposed in this survey.

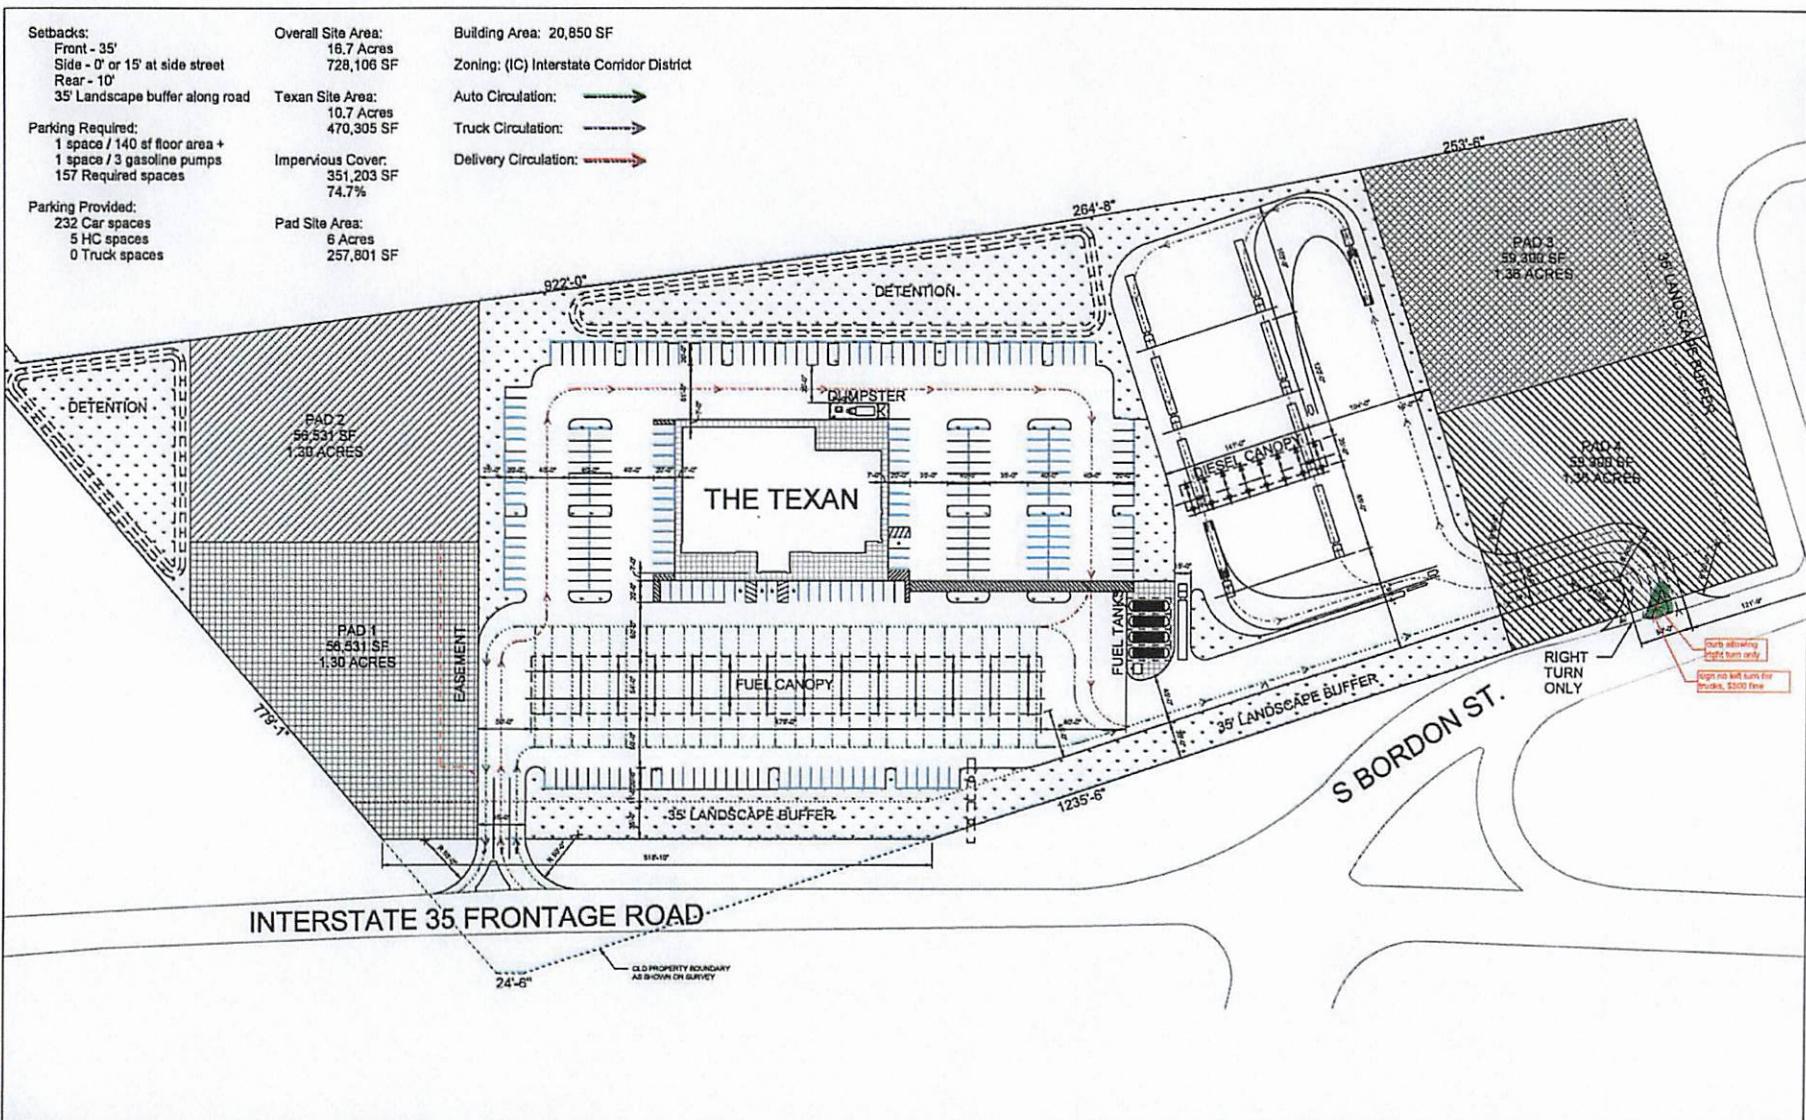

Overall, it is thought that a hi rise pylon sign of 90' will allow for visibility before each exit on the north and south sides of the property and overcome the elevation deficit to which the property sits. With the elevation differences, the visible over all height of the sign would be 50-60' above the highway obstructions and visibility is a key component to The Texan business as the building will not be seen from the interstate for much of the traffic traveling I-35. We feel it is reasonable to suggest that this size sign structure be proposed for this store location due to the above-mentioned site research and evaluation.

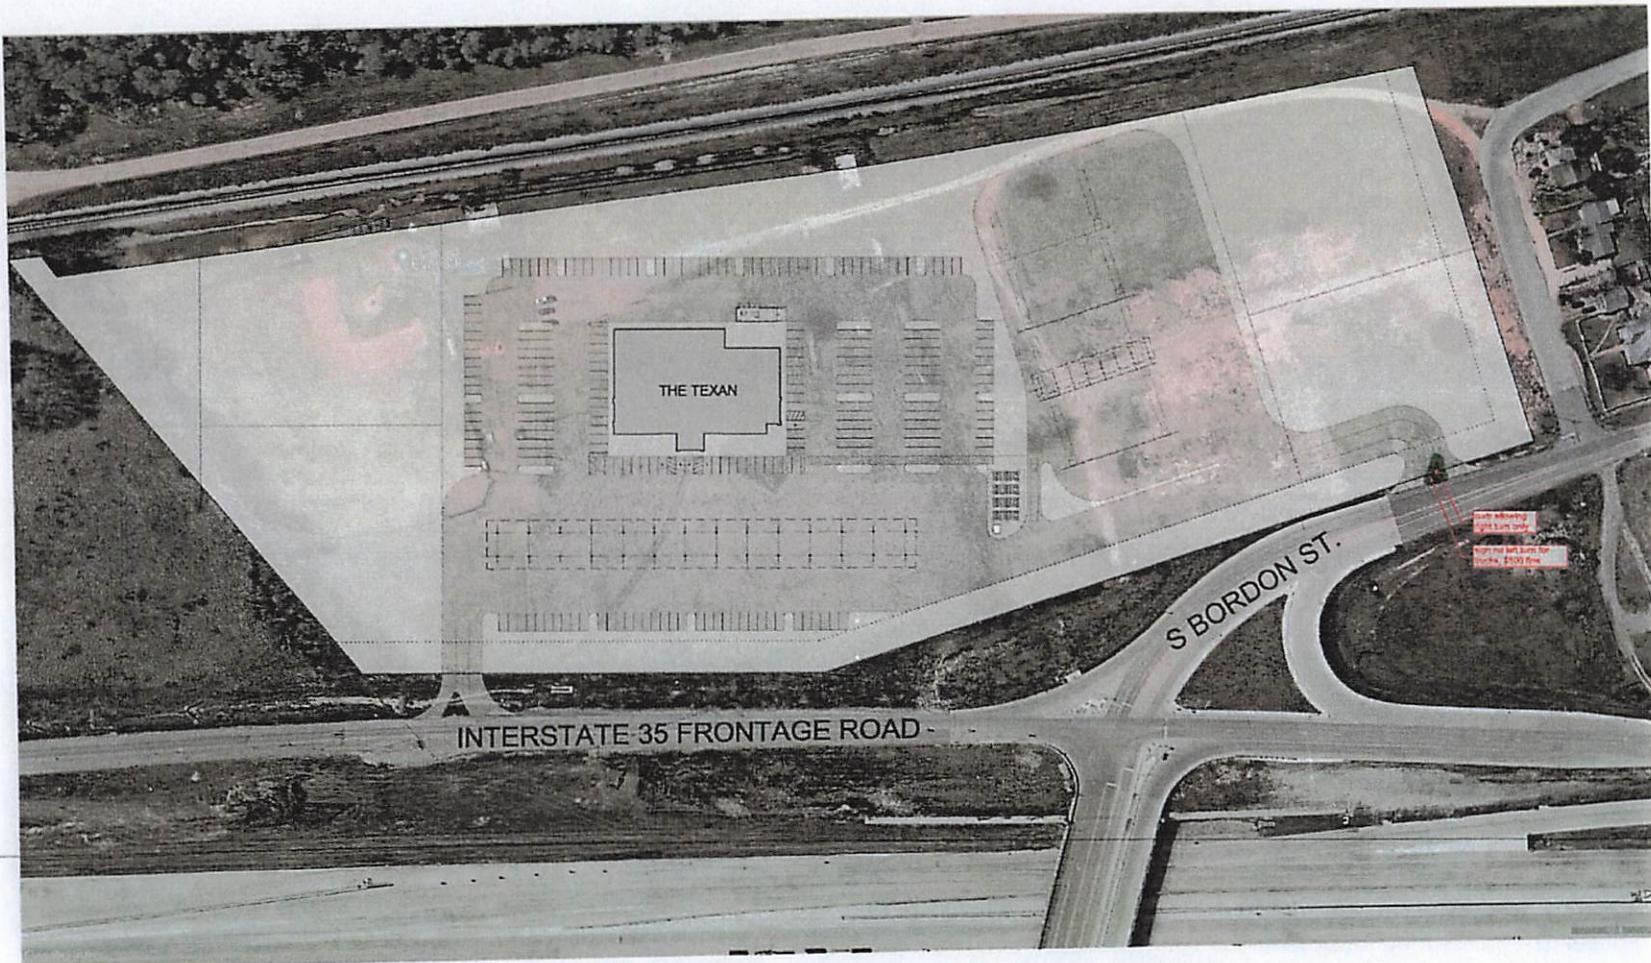

Please contact Mark Pullin at [mark@marcorpmedia.com](mailto:mark@marcorpmedia.com) or 361-550-5270 for further questions on this survey for Lorena, Texas.

Thank you,

Mark Pullin

## Lorena and The Texan Store Partnership Opportunity

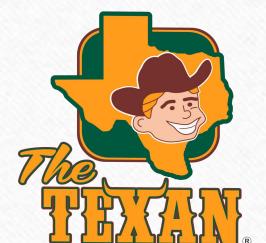

January 13, 2025

# About The Texan Stores

---

The Texan Stores were founded by the Dlugosch family of Yorktown, Texas, a family with small town roots. The first store was built by the family from the ground up in their hometown. Since then, The Texan has built many stores all over Texas. Our mission is to continue seeking locations throughout Texas to meet the needs of busy families.

# The Texan Team Experience

---

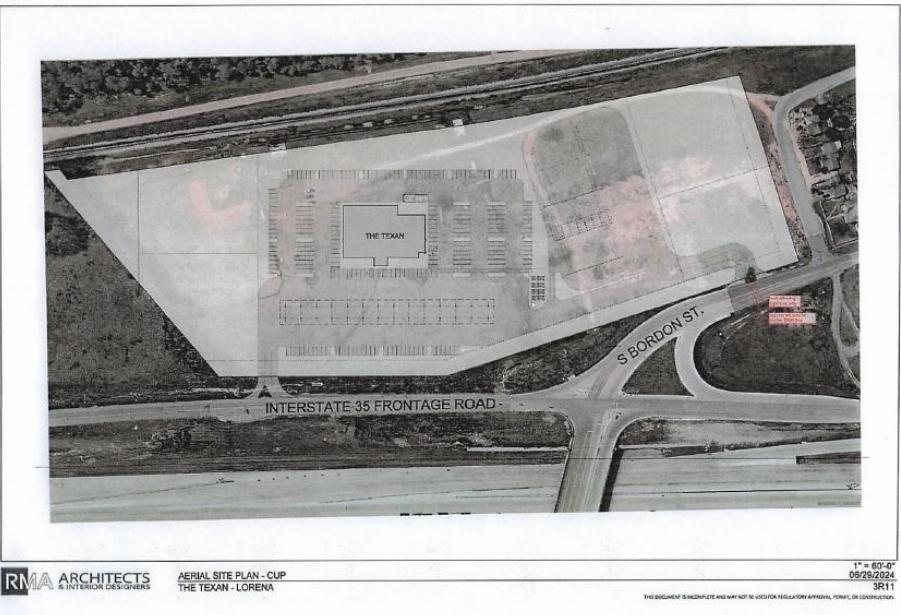

- Proven history of successful community building
- Giving back to the community we operate in
- Over 500 full-time/part-time employees at its current locations
- Expected to employ 50-60 full and part time employees at this site
- Strive to hire locally

## Location

The Texan Stores will create a destination stop for travelers.

- 22,000 square foot store
- Over 200 auto parking spots
- Estimated Total Investment: \$7 to 10 million
- 30 fuel pumps (60 fueling positions)
  - 7 truck diesel lanes

# “The Texan” Experience

---

- 15+ years of experience with the development of family travel centers
- New ground-up family travel center with expansive fuel pumps, fueling options, food service, beer and wine sales for offsite consumption, dining areas, retail merchandise, and lottery

# “The Texan” Experience

---

- Experience and knowledge to obtain and uphold all necessary licenses and permits
- Maintain health department approvals
- Contract with appropriate vendors to manage and ensure completion of project including construction, installation, equipment procurement, permits, zoning, codes, and inspections
- Comply with guidelines regarding design and operation for regulated USTs
- Certified contractor oversees all work in accordance with applicable codes

# The Texan Stores Amenities

---

- Fresh, unique, homestyle foods prepared only at The Texan Stores including BBQ, fresh bakery items, grab and go selection, hot and cold fresh-made options as well as made-to-order burgers and more
- Dine-In Seating for 70 customers
- Top of the industry well-lit stores
- Large, state of the art, clean restrooms
- Fully staffed stores to provide excellent customer service
- Operating 24/7/365

# The Texan Stores Amenities

---

- 10-foot-wide auto parking spaces with ample parking for boats, RVs, and other recreational vehicles
- Spacious parking lots to accommodate high volume traffic with separate auto and truck entrances
- Multiple (7) truck diesel lanes along with ample (30) upfront gas/diesel fueling positions
- EV Charging Stations
- Ethanol Free Gas for all motorists, boats, SUV, etc.

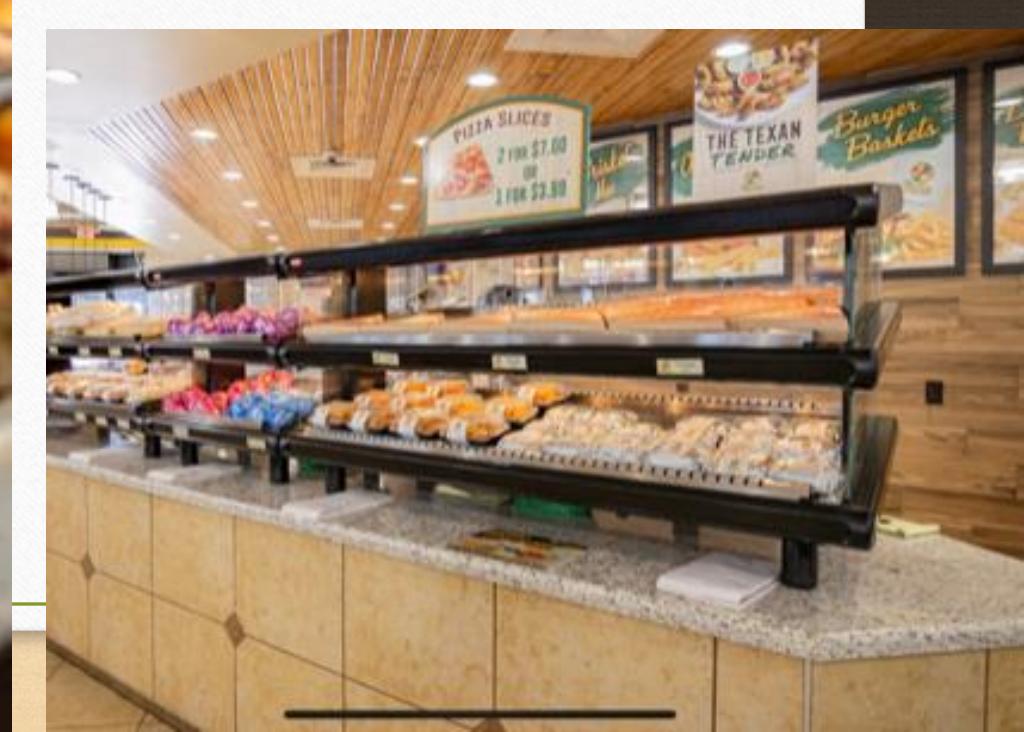

# Partnership for Growth of Lorena

---

- The addition of the proposed Texan Store to your community will greatly improve Lorena in multiple ways:
  - Added Sales Tax Revenue
  - Business Personal Property Tax increase to the county, city, and schools, etc.
  - Curb appeal
  - A destination and convenient stop for travelers
  - Providing resources to your community by filling the opportunity gap in gas stations and food service establishments

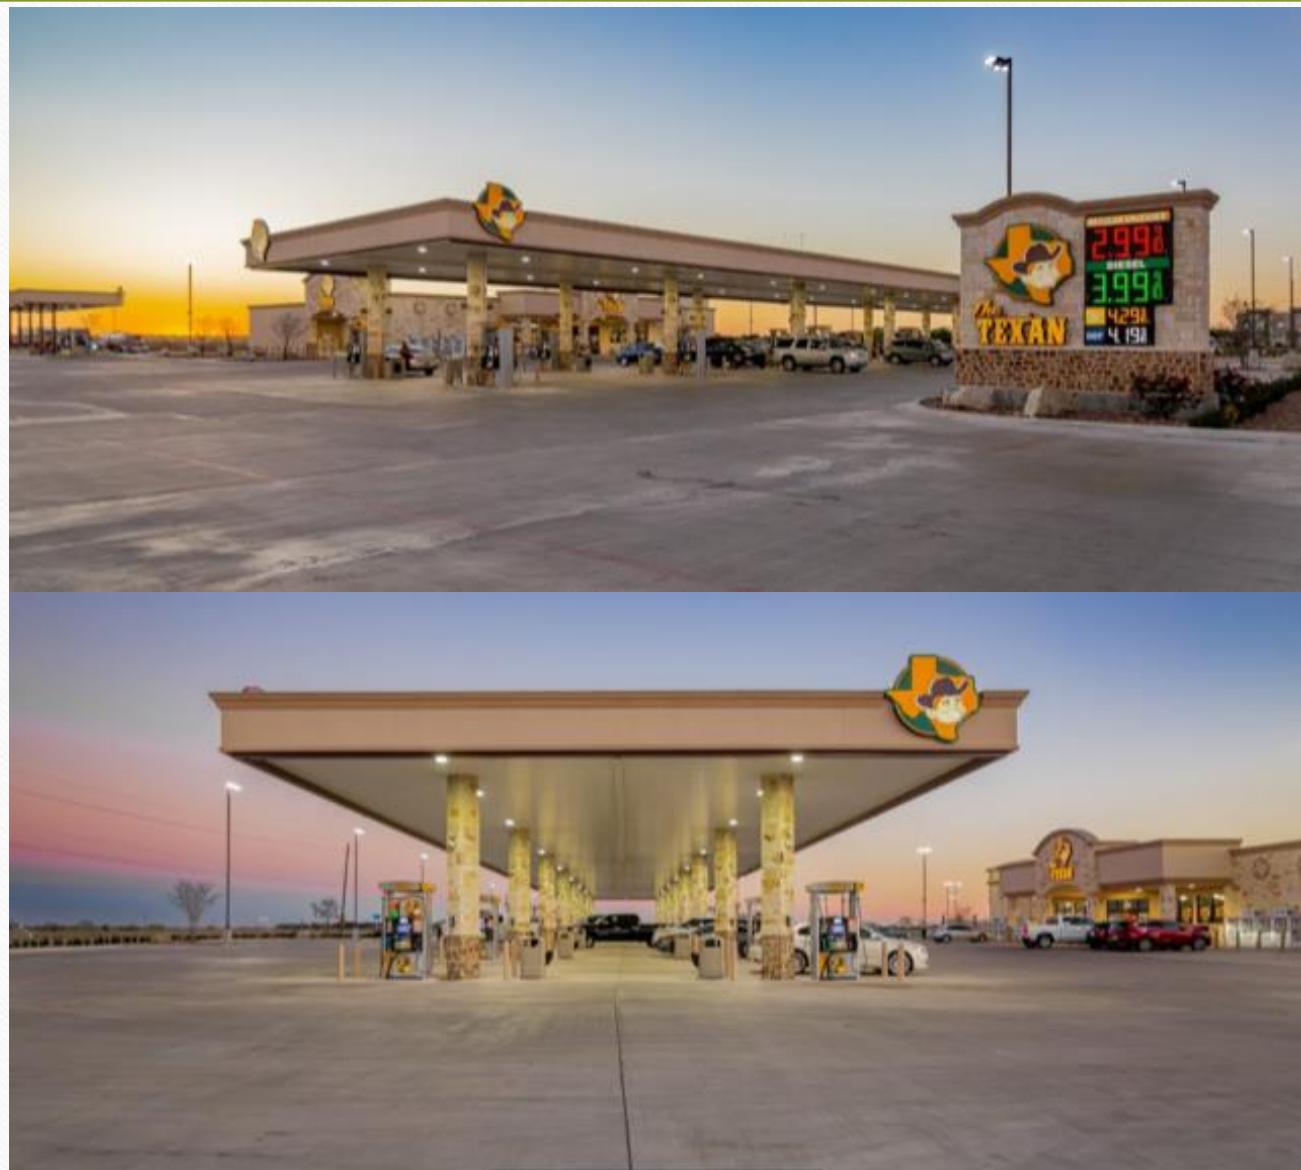

---

Thank you for your time!

**SUBJECT:** Discussion and recognition of new employee, School Resource Officer, Mireya Quetz

**BACKGROUND:** Today it is with great honor that I am able to introduce our newest School Resource Officer, Mireya Quetz.

Mireya Quetz was born and raised in Waco, Texas, she graduated from University High School in 2015 before answering the call to serve her country in the United States Marine Corps, where she completed four years of honorable service.

After her military tenure, Mireya transitioned to public safety, at a local hospital working in dispatch. Her dedication led her to graduate from the police academy in July 2022, becoming the first police officer for Baylor Scott & White Police department at the Waco location.

Recently married and deeply committed to her faith, Mireya credits God for guiding her path and is devoted to exemplifying the calling she feels He has placed upon her life. She is profoundly grateful for the unwavering support of her Husband and family who have been a constant source of strength and encouragement throughout her journey. Ofc. Quetz is excited to bring her passion for service, integrity, and leadership to her role as a School Resource Officer with the Lorena Independent School District.

After completing the field training program, Mireya will be assigned to the High School campus and report to Sgt. Bull.

**RECOMMENDATION:**

**Subject:**

Discussion and possible action on using 2022 Street Bond Funds to fund a portion of the Cindy Lane repair project.

**Background Information:**

The City of Lorena issued Certificates of Obligation in 2022 to fund street improvements. The original contracted project is complete and there are remaining funds available. As those funds remain unspent and drawing interest, the City may potentially incur more arbitrage interest rebate expense.

The City is in the process of a repair contract for Cindy Lane that is planned to be funded from the newly created Street Maintenance Fund. The Street Maintenance Fund receives its funding from a portion of sales tax. The General Fund Capital Project Fund in 2024 “loaned” the Street Maintenance Fund, at the direction of the City Council, \$130,000 to jump start the Cindy Lane repairs.

**Current Findings:**

Street Improvement Funds remaining from the 2022 Certificates of Obligation are available to be spent on street improvement projects. With the Council’s approval those funds could be used to fund a portion of the current Cindy Lane project.

**Recommendation:**

Staff recommends utilizing 2022 Certificate of Obligation funds to fund the Cindy Lane pay estimate #2 (\$101,754) and the remaining estimate to complete after pay estimate #3 (26,077.70) maintaining a balance to fund estimated arbitrage interest rebates due to the IRS.

2022 Street Bond Projects

Street Bond (2011) Fund Balance	9/30/2021	67,181.35
---------------------------------	-----------	-----------

**FY 2022**

Interest Income	14,935.84
Bond Proceeds	4,930,000.00
Bond Premium	209,681.20
Bond Issue Costs	(131,339.80)
Street Engineering	(215,800.00)

Street Bond (2022) Fund Balance	9/30/2022	4,874,658.59
---------------------------------	-----------	--------------

**FY 2023**

Interest Income	205,720.99
Street Engineering	(399,440.00)
Street Construction	(2,541,675.51)

Street Bond (2022) Fund Balance	9/30/2023	2,139,264.07
---------------------------------	-----------	--------------

**FY 2023 YTD**

Interest Income	39,555.95
Audit entry rounding	0.50
Arbitrage Analysis (Accr)	(1,565.00)
Street Engineering	(150,605.00)
Street Construction	(1,718,485.79)
* Bridge Engineering	(10,460.00)
* Bridge Construction	(119,043.70)

Street Bond (2022) Fund Balance	9/30/2024	178,661.03
---------------------------------	-----------	------------

**FY 2024 YTD**

Interest Income	1,704.74
Arbitrage Analysis (Accr)	-
Street Construction	-

Street Bond (2022) Fund Balance	1/8/2025	180,365.77
---------------------------------	----------	------------

+ Cindy Pay Est #2	(101,754.00)
+ Cindy Est remaining	(26,077.70)

Retained for Arbitrage	52,534.07
------------------------	-----------

NOTE: The City's Financial Advisors, Hilltop Securities Asset Management has been retained to provide arbitrage compliance for the City's bonded debt including the 2022 Street Bond Funds. HSAM is working on arbitrage calculations for the City's debt. Arbitrage payment is not due until 2027, estimate through 09/30/23 is \$38,397

Per HSAM Arbitrage Brochure (profit - pg 2)

**"Issuers are allowed to earn and keep a rate of return equal to the bond yield they are paying their bond holders. If an issuer earns more on investing unspent proceeds in taxable investments, they must rebate this profit to the Treasury every five years and at the final maturity."**

\* Bridge construction and engineering was originally planned from General Fund Capital Project Fund (FY 2022 and 2023). Per council action - the remaining project in FY 2024 was applied to the Street Bond Funds.

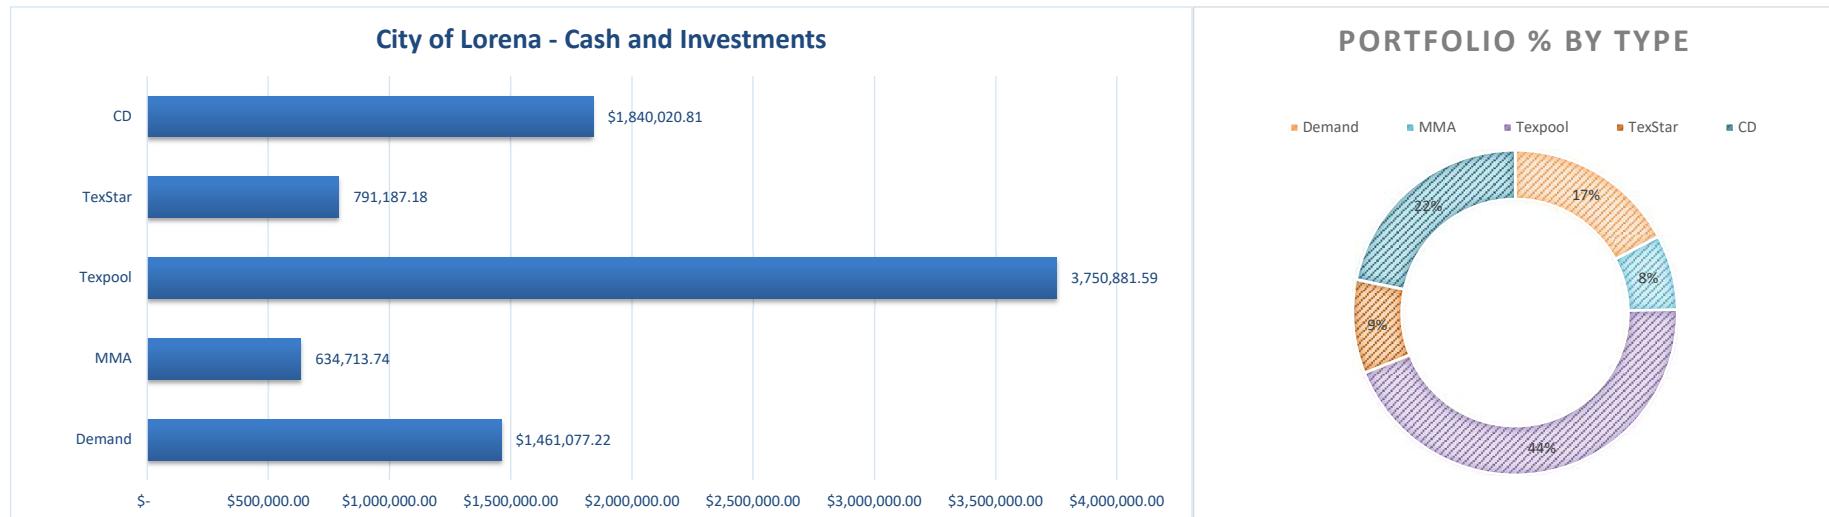

+ Cindy Lane maintenance construction and engineering was originally planned from Street Maintenance Fund. With council action, Cindy pay #2 and remaining balance after pay #3 will be applied to the Street Bond Funds maintaining a balance to satisfy arbitrage analysis fees and IRS repayments.

# MESSAGE FROM THE CHIEF

- On behalf of the men and women of the Lorena Police Department, I am honored to present to you the 2024 Annual Report. This report, through transparency and objectivity, aims to provide you with an overview and insight into the daily operations and efforts of the Lorena Police Department. The Lorena Police Department is unwavering in its commitment to providing the highest level of service, safeguarding human life, and protecting property. Through community and partner collaboration, we can build meaningful and lasting relationships with those we serve. We are proud of what we have accomplished in 2024 while realizing the challenges and goals we have set for 2025. This is your police department, and we are honored to serve. Thank you for your support and appreciation for us.

Scott Holt - Chief of Police

# MISSION STATEMENT

**The mission of the Lorena police department is to effectively and efficiently provide for the protection of lives and property, preserve the public peace, and provide needed community services with the highest level of professionalism and ethical standards**

# CORE VALUES

- Integrity: The Lorena Police Department is built upon a foundation of ethical and professional conduct. We are committed to the highest level of moral principals and ethics. All members of the department will adhere to the Law Enforcement Code of Ethics.
- Honesty: We will be truthful and trustworthy at all times
- Equity: We are dedicated to providing all persons with equal opportunities and application of law. Additionally, all members of the department will be afforded equal application of rules and regulations
- Courage: We are dedicated to meeting all challenges with the courage needed to accomplish our mission.
- Compassion: We understand our role as community caretakers and temper our application of the law with compassion and empathy.

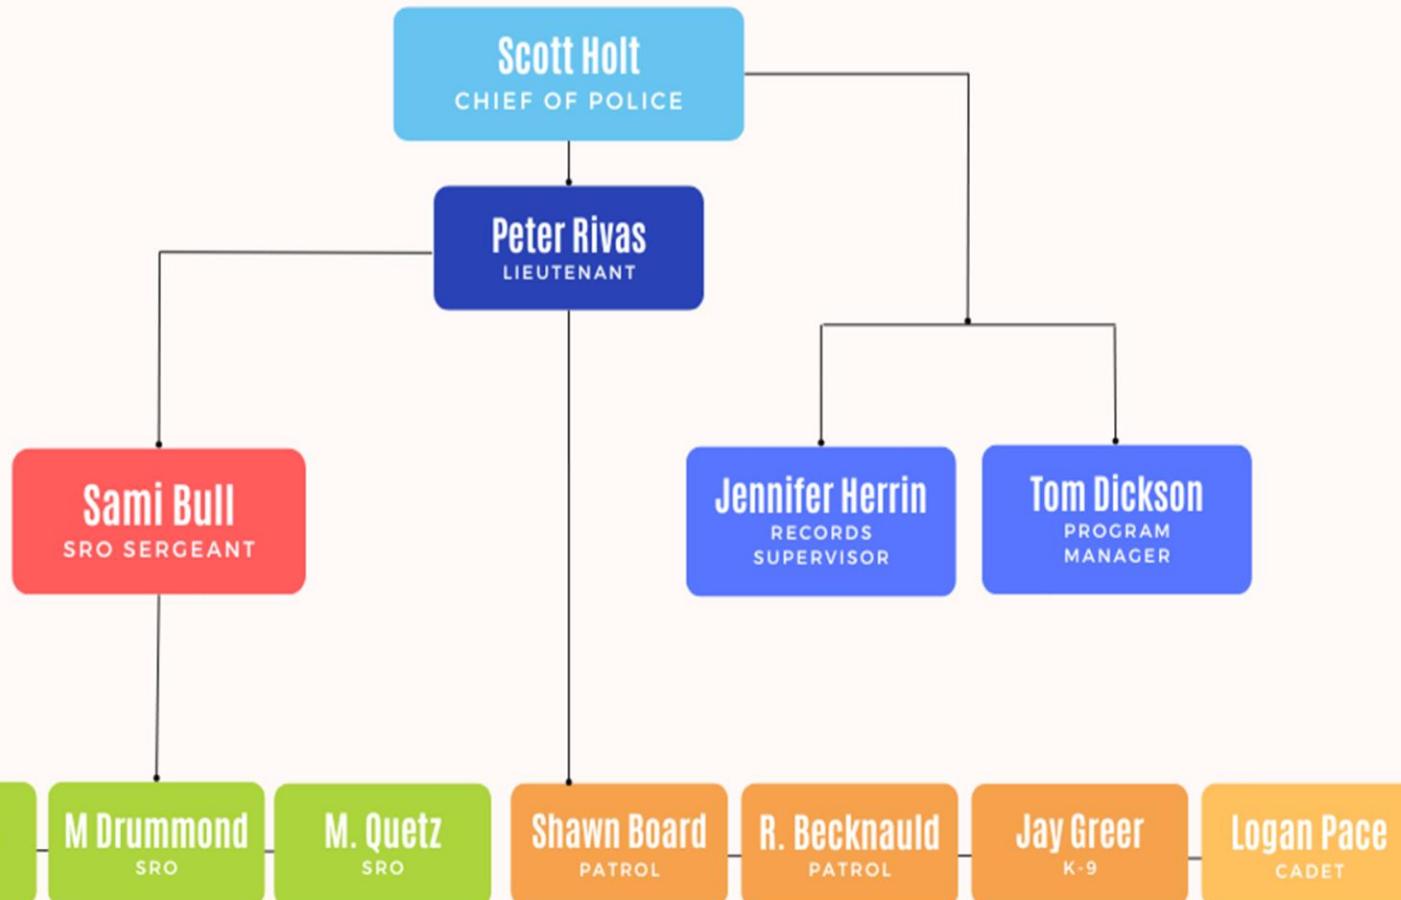

# CITY OF LORENA

- The City of Lorena, settled in 1854, is located along the IH 35 corridor between Waco and Temple. Lorena covers an approximate 3.2 square miles with a population of 1,809. The City operated under a council-manager form of government. City policymakers are vested in a City Council consisting of the Mayor and five council members. The City Council is responsible for establishing city rules and regulation through the passage of city ordinances and resolutions. The City Manager is responsible for the daily operations of government, implementing policy established by City Council, and the appointment of department heads. The City of Lorena provides a full range of services and has three departments; Administrative, Public Works, and Police.

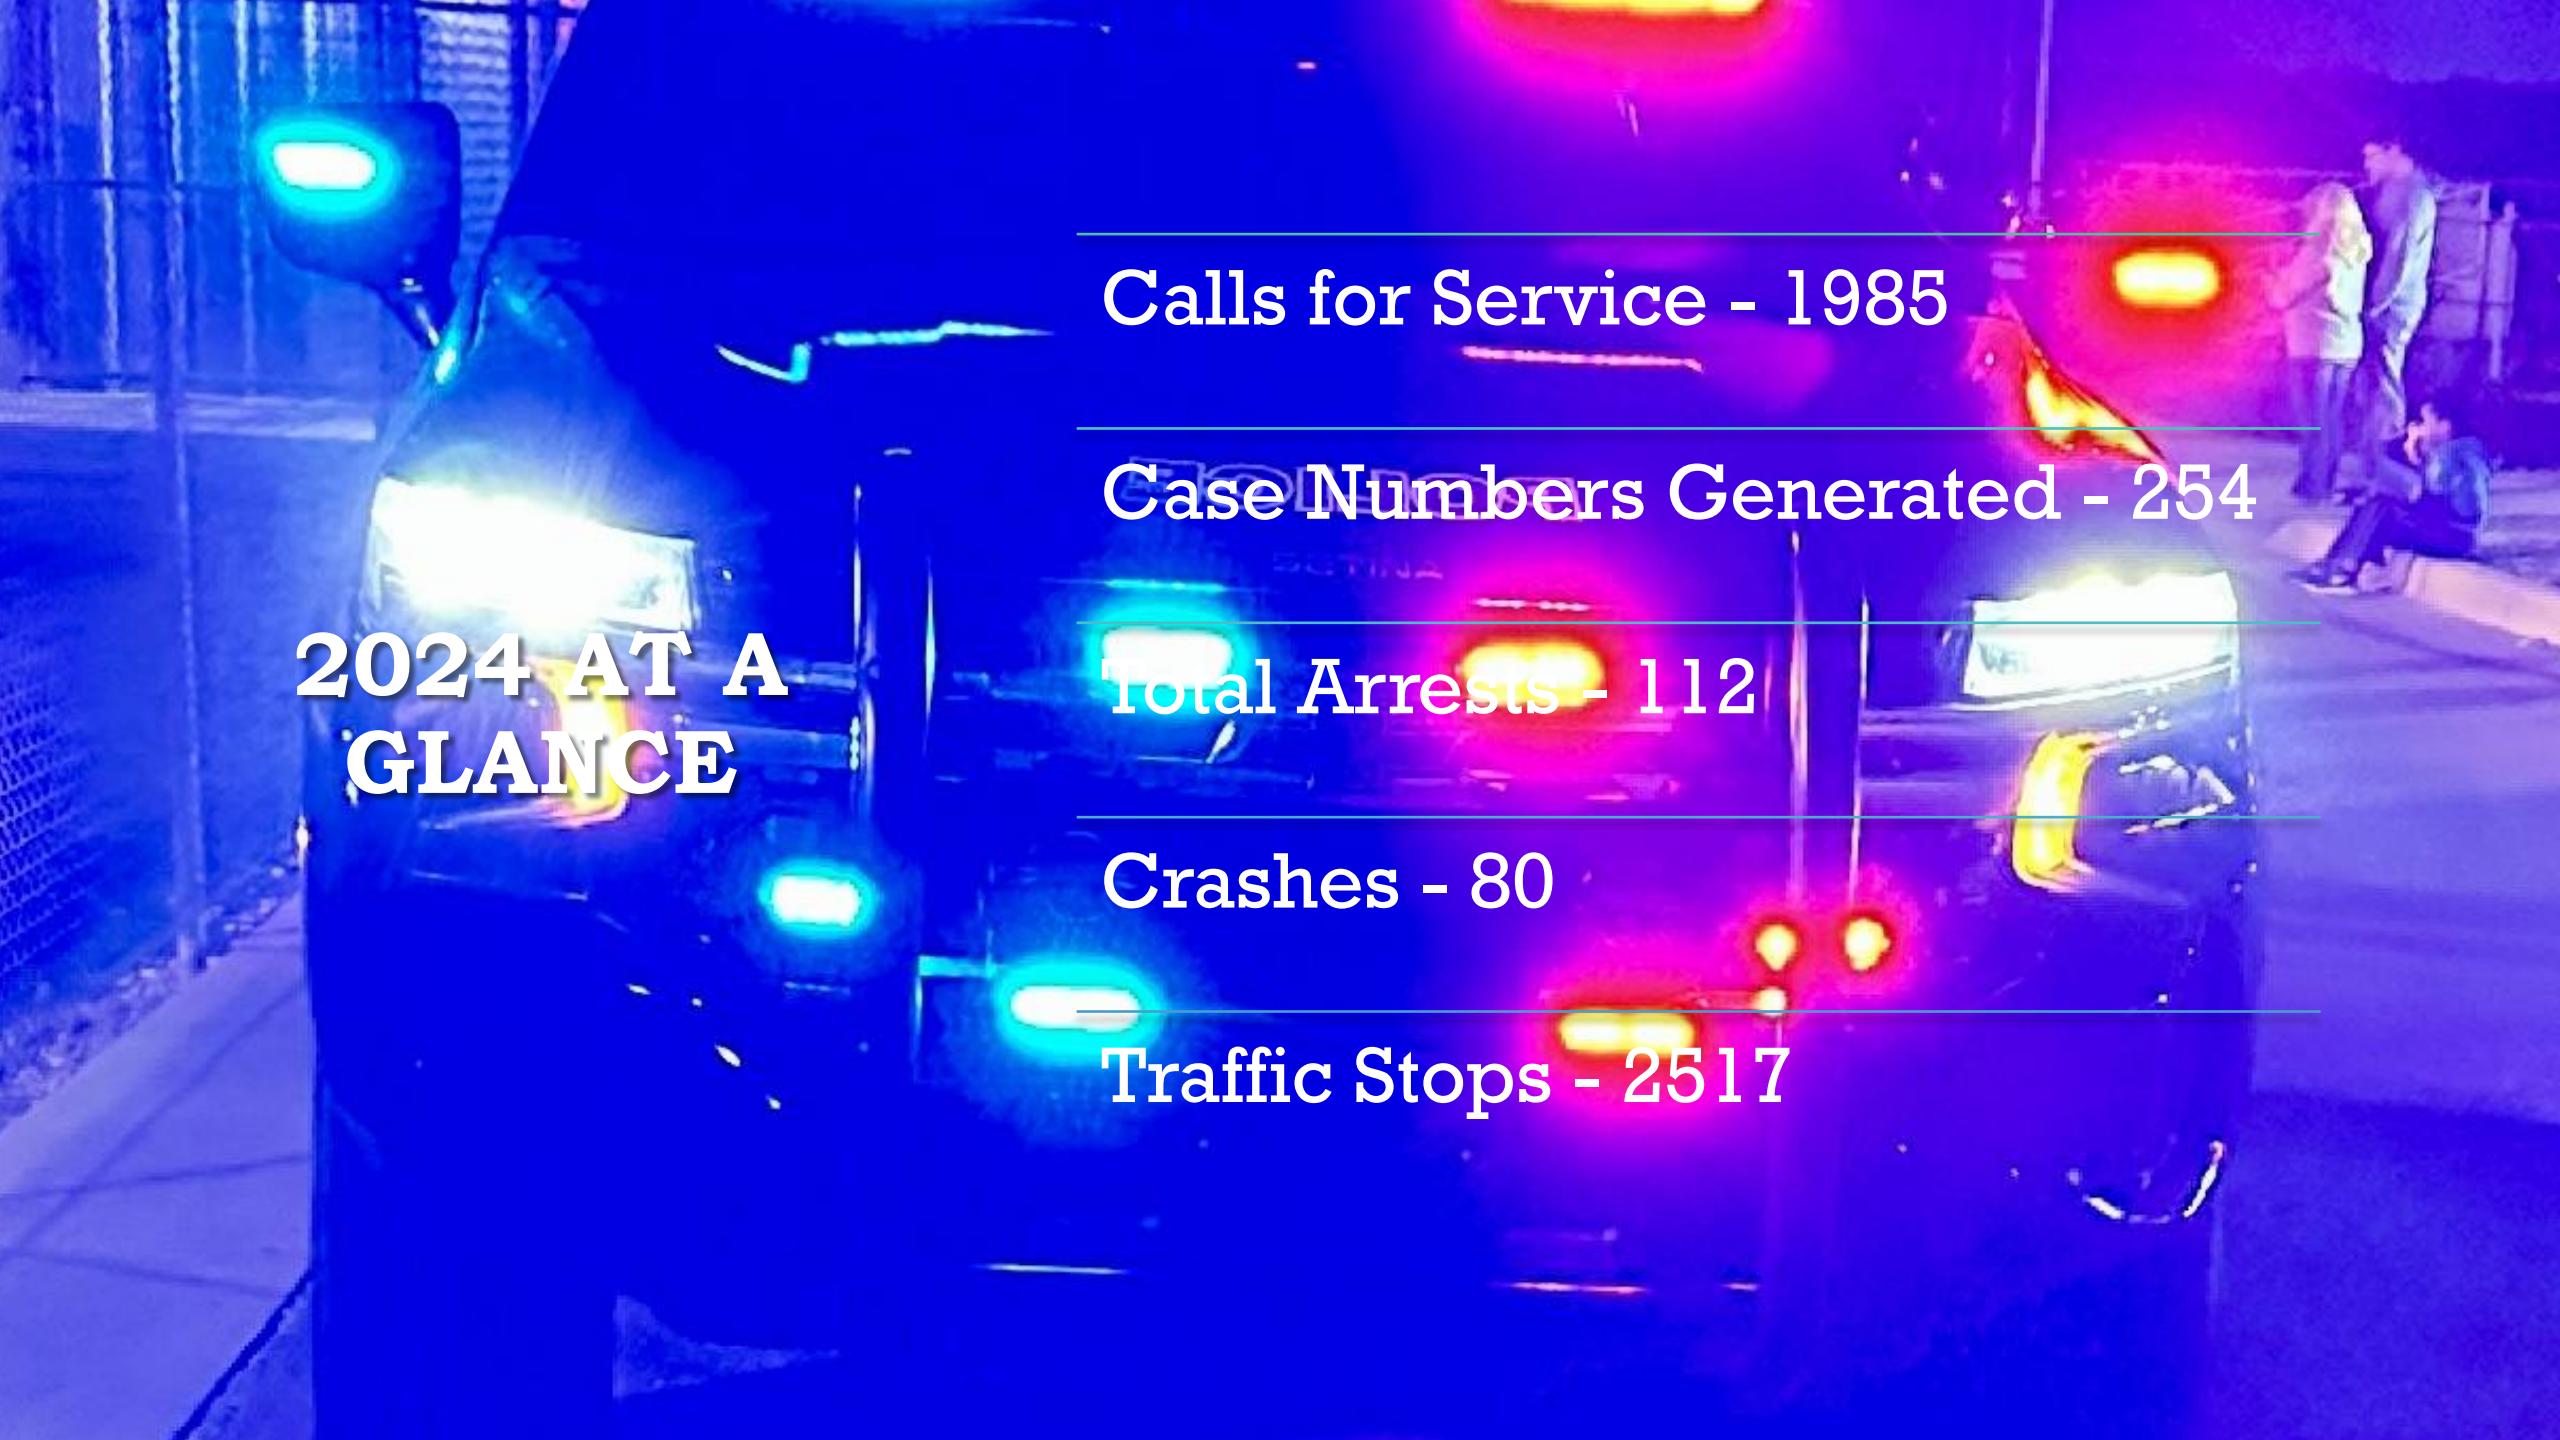

## LORENA POLICE DEPARTMENT

- The Lorena Police Department is comprised of 10 Sworn Personnel, 1 Records Supervisor, and 1 Accreditation Manager. The Lorena Police Department's primary responsibilities are the preservation of public peace while safeguarding human life and property. These duties are carried out within the three divisions of the department: (1) The Chief's office provides departmental leadership and guidance by initiating programs and activities, guiding and mentoring personnel, facilitating the needs of staff, ensuring compliance with policies and procedures, managing the department budget, and serving as a member of the City's management team. (2) Patrol Division whose primary responsibility is responding to calls for service, providing care for community members and visitors, completing criminal and crash reports, and enforcing criminal and traffic laws. (3) School Resource Officers who primary responsibilities are to provide a safe environment for teachers and staff, act as a mentor and role model for the student body and play in integral role in the success of students.

## EXECUTIVE SUMMARY

An analysis of the traffic stops made by Police Officers employed by the City of Lorena (Lorena Police Department) is presented herein. The Department currently consists of a Chief of Police, one Patrol Lieutenant, one SRO Sergeant, one K-9 Officer, three SRO Officers, and four Patrol Officers. (a total of ten (10) sworn employees). The department has one full-time non-sworn employee and one part-time accreditation manager.

The Lorena Police Department is committed to respecting the constitutional rights of all individuals in the performance of their duties and has a strict policy clearly stating this commitment. Our success is based on the respect, trust, and transparency we give to citizens of our community, and the respect members of the community give to law enforcement. To this end, we exercise our sworn duties, responsibilities, and obligations in a manner that does not discriminate on the basis of race, sex, gender, national origin, ethnicity, age, or religion. All people carry biases: in law enforcement, however, the failure to control our biases can lead to illegal arrests, searches, and detentions; thus, thwarting the mission of our department and profession. Most importantly, actions guided by bias destroy the trust and respect essential for our mission to succeed. We live and work in a very diverse community in population; therefore, respect for diversity and equitable enforcement of the law are essential to our mission.

All enforcement actions, particularly stops of individuals (for traffic and other purposes), investigative detentions, arrests, searches, and seizures of persons or property are based on the standards of reasonable suspicion or probable cause as required by the Fourth Amendment of the U. S. Constitution and statutory authority. In all enforcement decisions, officers are able to articulate specific facts, circumstances, and conclusions which support reasonable suspicion or probable cause for arrests, searches, seizures, and stops of individuals. Officers do not stop, detain, arrest, search, or attempt to search anyone based solely upon the person's race, ethnic background, gender, sexual orientation, religion, economic status, age, cultural group, or any other identifiable group. Officers base all such actions on a reasonable suspicion or probable cause that the person or an occupant of a vehicle committed an offense.

All departmental orders are informed and guided by a written policy (Policy 2.2.1, Biased Based Policing) which became effective on December 6, 2017, and revised on January 23, 2024. All Lorena Police Officers have a copy of this policy and have been trained in its provisions. Officers understand that actions prohibited by this policy are cause for disciplinary action, up to and including dismissal.

There were 2,543 traffic related stops made during 2024 (an increase of 459 (22.02%) stops from 2023).

However, there are a number of factors that influence these results, to wit:

1. It is doubtful that the US Census Bureau data reflects the correct percentage of drivers on Interstate 35. Lorena, Texas, is a suburb of Waco, Texas. Thus, our benchmark data may not be representative of the actual number of drivers on IH 35; however, it represents the best estimate available.

2. Before the stops were made, officers recognized only 0.16% (4 of 2547 stops) of the race of the driver. This implies that the ethnicity revealed by the traffic stops is a much better measure of the true ethnicity percentages than the population data.

An indicator of whether a police agency is engaged in racial profiling is the number of negative outcomes of racial profiling allegations. During 2024, the Lorena Police Department received no complaints in this matter. Additionally, no physical force was used on any motorist during stops conducted by the Lorena Police Department.

The weakness of this analysis is the lack of an accurate benchmark. Vehicular travel in the patrol area is quite diverse. Local, county, state, national and international drivers use the roadways. Therefore, it is extremely difficult to determine the racial distribution of the drivers. There are several complicated factors that are discussed in the following sections of this report.

## STATE OF TEXAS RACIAL PROFILING REPORT SUBMITTAL

Attached is a copy of the report filed with the State of Texas concerning racial profiling. This data is compiled by a contract service, CopSync. The Lorena Police Department uses CopSync for management of the Citations and Warnings issued to drivers during traffic stops. Officers provide data online to CopSync for each stop and they compile the data. We believe the data to be accurate and reliable.

## RELIABILITY OF ANALYSIS

Our department collects data on the racial makeup of the drivers that are stopped by officers. Examination of this data indicates that our officers do not engage in racial profiling. While every effort is made to perform a fair and just analysis, there are a number of factors that influence the true nature of the results.

### Accuracy of data collected

The data collected by the police officers concerning racial information appears to be accurate. Number of stops, breakdown of ethnicity, factors such as searches, etc., are recorded for each stop and compiled. Ethnicity is included in DPS records when the officer pulls up the license of the driver. This information reflects information that was provided by the individual when the license was obtained. Thus, it is the ethnic data which the individual claims. In instances where the individual has a multi-ethnic status, the record reflects that chosen by the individual. In instances when the officer does not pull up the DPS data, a judgement is made by the officer without consulting with the driver.

An audit is performed by an unbiased party to further assure the ethnic identity of the driver (presented in a section of this report presented below). The party observes body worn camera video of three randomly selected stops by each officer monthly and records apparent racial data based strictly on appearance. This rarely conflicts with the data recorded by the officer; however, appearance alone can sometimes be deceiving, especially in instances where the individual is multi-racial, where lighting is an issue, where a mask and large glasses are being worn, etc. In summary, the audit shows that the racial data recorded by the officers is accurate.

### Accuracy of population (i.e., benchmark)

A major problem with this (and similar) analysis is the lack of accurate information available on the population of stopped drivers. First and foremost is the identification of who constitutes the population. Cities like ours with an interstate highway may have drivers from a very widespread origin - local, county, state, country, and international. It is virtually impossible to accurately identify the racial proportion of the drivers traveling on the roadways.

Several methods to approximate the population have been used by analysts. Following a study by the University of Kentucky, some departments have used the population of "not-at-fault" drivers in crashes occurring within their area. The rationale being that drivers in the area have an equal chance of being the victim of a crash. As discussed later in this report, the Lorena Police Department stops only drivers who violate the law or exhibit unsafe driving practices. Thus, while using crash data may be useful, it appears that the "at-fault" drivers in a crash better represents the population of drivers who are stopped in our area. Drivers that exhibit unsafe driving practices are more likely to crash. This is exactly the population of drivers that should be (and are) stopped for violations. This has a chance of modifying the driver's habits to create a safer environment for them and the public in general (and hopefully reduce crash fatalities). Unfortunately, this is subject to controversy.

Another method of comparison uses darkness as a means of measuring police racial bias (this is sometimes called the "veil of darkness" method). The idea is that officers cannot see drivers well enough during darkness to identify their race. Therefore, if there is a higher proportion of black drivers stopped during daylight hours than at night, the officers must be racially biased. Unfortunately, there is no data to compare the number of black drivers at night versus those driving during the daylight. Differences in occupations, transportation options available to different races, and many other factors define night-time versus day-time drivers. The proportions are apparently different; but there are no good methods to quantify them. Thus, the method does not appear to be scientifically justified.

The American Communities Survey, U.S. Census Bureau, and the Fair Roads Standard Data has been used by some Police Departments. This data determines the number of households in an area that report the ownership of an automobile and records the ethnicity of the head-of-household. Unfortunately, it does not determine the number of drivers in the household. This number may vary greatly depending on the number of family members and the age of the occupants. It does not identify drivers that violate traffic laws. It does not solve the problem of the area or region to be used in determining the number of households. It assumes that the ethnicity of the driver is that of the head-of-household. Inter-racial marriages, adoption of children of a different race, etc. are not addressed even though they influence the driver population.

During 2024, all except four (4) of the stops by our agency were executed without the officer knowing the race of the driver.

## AUDIT OF RACIAL DATA

Attachment II is the result of an audit of the racial information recorded by the police officers during traffic stops. This audit was conducted in the following manner:

1. Three citations (where available) were randomly selected per month per police officer.
2. The Body Worn Camera (BWC) video for the traffic stop was viewed by an independent party.
3. The independent party recorded the race of the driver using only the driver's appearance. Occasionally, the video did not capture the face of the driver or was too dark for adequate observation. In such a case, a substitute video was randomly selected (if available). The observation of appearance was made without knowledge of the name of the driver. This information was later found to add significant racial information and is included in the comments of the audit. There were several instances where the driver appeared to be racially mixed, making the selection of race by observation quite difficult.
4. Once observations were made for all officers, the independent party observed the actual citation and recorded the race provided by the officer.
5. The procedure was followed for each month of the year 2024.

The correlation between the audit racial information and that recorded by the officer are in agreement for most stops. The added information of the driver's name helps to resolve many of the differences. Considering the fact that appearances alone can result in an incorrect racial classification, the audit reflects that the officers correctly record racial data.

## BENCHMARK DATA

The benchmark population for this analysis is the most recent data (January 6, 2024) from the US Census Bureau, Waco, Texas. Lorena, Texas is a small community just south of Waco; Texas located in McLennan County; thus, the data represents drivers in the area patrolled by the Lorena Police Department. The population/demographics from the January 6, 2024, US Census Bureau, QuickFacts, is as follows:

<u>Race</u>	<u>Population - %</u>	<u>Adjusted Percent %</u>
White (alone)	54.00%	45.86%
Black (alone)	20.40%	15.57%
Hispanic (alone)	29.90%	30.19%
Asian (alone)	2.00%	7.18%
Total	106.30%	98.80%

Notice that the raw US Census data adds to 106.30%. This introduces some inexactness or error in the data. We assume that the deviation from 100% of the population is proportionally distributed among all races. We also have equally distributed the value for two or more races to an individual race. Thus, the numbers used in our analysis have been adjusted and presented in the right-hand column.

Consistent with the grouping as presented above, the benchmark for the ethnicity of drivers stopped by the Lorena Police Department is: White – 45.86%, Black – 15.57%, Hispanic – 30.19%, and Asian and Other – 7.18%.

## SAMPLE DATA

Sample data is a compilation of data from the information recorded by police officers during traffic stops. This data is electronically recorded and compiled by a contract company, CopSync. The data are as follows:

<u>Race</u>	<u>Stops</u>	<u>Percent</u>
White	1,168	45.86%
Black	422	16.57%
Hispanic	769	30.19%
Asian/Pacific Islander	183	7.18%
Alaska Native/American Indian	5	0.20%
Total	2,547	100.00%

## ANALYSIS OF SEARCHES

Of the 2,547 stops, 115 searches were made. The searches should be roughly in proportion to the benchmark population. The ethnicity of those searched is:

<u>Race</u>	<u>Number</u>	<u>Percentage</u>	<u>Benchmark</u>
White	29	25.22%	54.00%
Black	31	26.96%	20.40%
Hispanic	53	46.09%	29.90%
Other	2	1.73%	2.00%

LORENA POLICE  
DEPARTMENT

has adopted a detailed written policy on racial profiling. Our policy:

- 1) clearly defines acts constituting racial profiling;
- 2) strictly prohibits peace officers employed by the LORENA POLICE  
DEPARTMENT from engaging in racial profiling;
- 3) implements a process by which an individual may file a complaint with the LORENA POLICE DEPARTMENT if the individual believes that a peace officer employed by the LORENA POLICE DEPARTMENT has engaged in racial profiling with respect to the individual;
- 4) provides public education relating to the agency's complaint process;
- 5) requires appropriate corrective action to be taken against a peace officer employed by the LORENA POLICE DEPARTMENT who, after an investigation, is shown to have engaged in racial profiling in violation of the LORENA POLICE DEPARTMENT
- 6) requires collection of information relating to motor vehicle stops in which a citation is issued and to arrests made as a result of those stops, including information relating to:
  - a. the race or ethnicity of the individual detained;
  - b. whether a search was conducted and, if so, whether the individual detained consented to the search;

- c. whether the peace officer knew the race or ethnicity of the individual detained before detaining that individual;
  - d. whether the peace officer used physical force that resulted in bodily injury during the stop;
  - e. the location of the stop;
  - f. the reason for the stop.
- 7) requires the chief administrator of the agency, regardless of whether the administrator is elected, employed, or appointed, to submit an annual report of the information collected under Subdivision (6) to:
- a. the Commission on Law Enforcement; and
  - b. the governing body of each county or municipality served by the agency, if the agency is an agency of a county, municipality, or other political subdivision of the state.

The LORENA POLICE DEPARTMENT has satisfied the statutory data audit requirements as prescribed in Article 2, 133(c), Code of Criminal Procedure during the reporting period.

Agency Name: LORENA POLICE DEPARTMENT

Reporting Date: 01/09/2025

TCOLE Agency Number: 309206

Chief Administrator: JEFFREY S. HOLT

Agency Contact Information:

Phone: (254) 857-9614

Email: police@lorenatx.gov

Mailing Address:

100 N BORDON ST

LORENA, TX 76655-3449

This Agency filed a full report

LORENA POLICE DEPARTMENT has adopted a detailed written policy on racial profiling. Our policy:

1) clearly defines acts constituting racial profiling;

2) strictly prohibits peace officers employed by the LORENA POLICE DEPARTMENT from engaging in racial profiling;

3) implements a process by which an individual may file a complaint with the LORENA POLICE DEPARTMENT if the individual believes that a peace officer employed by the LORENA POLICE DEPARTMENT has engaged in racial profiling with respect to the individual;

4) provides public education relating to the agency's complaint process;

5) requires appropriate corrective action to be taken against a peace officer employed by the LORENA POLICE DEPARTMENT who, after an investigation, is shown to have engaged in racial profiling in violation of the LORENA POLICE DEPARTMENT policy;

6) requires collection of information relating to motor vehicle stops in which a warning or citation is issued and to arrests made as a result of those stops, including information relating to:

a. the race or ethnicity of the individual detained;

b. whether a search was conducted and, if so, whether the individual detained consented to the search;

c. whether the peace officer knew the race or ethnicity of the individual detained before detaining that individual;

d. whether the peace officer used physical force that resulted in bodily injury during the stop;

e. the location of the stop;

f. the reason for the stop.

7) requires the chief administrator of the agency, regardless of whether the administrator is elected, employed, or appointed, to submit an annual report of the information collected under Subdivision (6) to:

a. the Commission on Law Enforcement; and

b. the governing body of each county or municipality served by the agency, if the agency is an agency of a county, municipality, or other political subdivision of the state.

The LORENA POLICE DEPARTMENT has satisfied the statutory data audit requirements as prescribed in Article

2.133(c), Code of Criminal Procedure during the reporting period.

### 2024 AUDIT OF RACIAL PROFILING

**Subject:** Discussion and possible action to permanently close the portion of Cooksey Ln. located East of Interstate 35 and West of N, Old Temple Rd. until such time funding is available for proper reconstruction of the road.

**Background Information:**

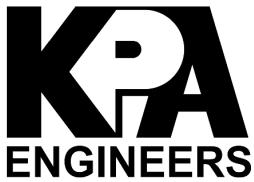

This portion of Cooksey Ln has had structural base failure dating as far back as 2007. Please refer to the included pictures taken from Google Maps. City staff has kept pouring what little funds are and were available for road maintenance into this section of Cooksey at a proportionate rate that still allowed for maintenance of our remaining streets.

**Current Finding:**

Water infiltration is one of the most significant causes of road base failure. During the significant rain events that Central Texas experienced in the spring and summer of 2024, further deteriorated the road and its failure of base material. The City of Lorena has consulted with the City's Engineer to determine what repairs could be made. Our Engineer has determined that no amount of repair can properly repair this section of roadway, and estimates rebuilding this section of roadway would cost at very minimum \$350,000.00.

**Recommendation:**

Due to the fact that there are no homes, businesses, or driveways contained within this section of roadway, our City Engineer's recommendation is to permanently close this section of Cooksey Ln. until such time funding is available to properly reconstruct the roadway.

19 North Main Street • Temple, TX 76501 • (254) 773-3731  
800 South Austin Ave • Georgetown, TX 78626 • (512) 819-9478

January 9, 2025

Mr. Kevin Neal  
City of Lorena  
107-A South Frontage Road  
Lorena, Texas 76655

Re: City of Lorena  
Cooksey Lane  
I-35 to N. Old Temple Road

Dear Mr. Neal:

This letter summarizes our recent discussions and site visits regarding Cooksey Lane from the Northbound I-35 Frontage Road (NBFR) to the intersection with N. Old Temple Road. This section of roadway includes significant pavement and drainage failures. Based on our site visit, we would recommend a full reconstruction of the roadway. Additionally, the existing culvert would need to be replaced and possibly upsized. Our preliminary opinion of probable costs for this project is approximately \$350,000.00. Our understanding is that at this time, the City of Lorena does not have available funds to complete the construction required to rebuild this section of roadway.

Given that there are no properties that take direct access from this road and Cooksey Lane and Birdie Lane can be accessed from North Old Temple Road from the north and south, we recommend closing this section of Cooksey Lane until such time as the City has sufficient funds available to complete the design and construction of a rebuild of the roadway as well as drainage and utilities within the right-of-way. Closure of the road may be accomplished by placement of permanent Type III barricades at the ends of Cooksey Lane at NBFR I-35 and N. Old Temple Road. At the N. Old Temple Road barricade, we would recommend a supplementary sign directing traffic to turn south onto N. Old Temple Road to access I-35. Exhibit A is attached which shows the locations of proposed signage as well as directional arrows for proposed routes of traffic around the road closure.

If you have any questions, please call.

Sincerely,

A handwritten signature in blue ink, appearing to read 'John A. Simcik'.

**ORDINANCE NO. 2025-0121-03**

AN ORDINANCE OF THE CITY OF LORENA, MCLENNAN COUNTY, TEXAS, ORDERING A JOINT GENERAL ELECTION TO BE HELD ON MAY 3, 2025, FOR THE PURPOSE OF ELECTING A MAYOR AND TWO CITY COUNCIL MEMBERS; DESIGNATING POLLING LOCATIONS; ORDERING NOTICE OF ELECTION TO BE GIVEN AS PRESCRIBED BY LAW; AUTHORIZING EXECUTION OF ELECTION SERVICES CONTRACT, AND ESTABLISHING EARLY VOTING AND ELECTION DAY VOTE CENTERS AND DATES/TIMES OF OPERATION

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF LORENA, TEXAS  
THAT:

**Section 1.** An election is hereby ORDERED to be held on May 3, 2025, for voting in a General Election to elect one (1) person for each position to serve the full term of two (2) years for Mayor and City Council. The Election will be conducted in accordance with the Texas Election Code and the Election Services Contract by and between McLennan County and other governmental entities. The first day to file an application for place on the ballot with the City Secretary is Wednesday, January 15, 2025 at 8:00 AM, with the last day for filing to be Friday, February 14, 2025, at 5:00 PM, in accordance with Election Codes Sections 143.006 and 143.007.

**Section 2.** The Mayor is hereby directed to issue the Order of General Election attached as **Exhibit “A”** as required by the Texas Election Code in the form provided by the McLennan County Election Administrator.

**Section 3.** The General Election will be administered by the McLennan County Election Administrator pursuant to a joint election agreement and a contract for Election Services. For the purpose of this election, all election officials shall be appointed and designated in accordance with the provisions of the election services contract. The Elections Administrator will serve as Early Voting Clerk. The City Manager is hereby authorized to execute a Contract for Election Services with the McLennan County Elections Administrator.

**Section 4.** McLennan County will execute Joint Election Services Agreement with Bellmead, Crawford, Gholson, Hewitt, Lacy Lakeview, Lorena, Mart, McGregor, Waco, Woodway, Bosqueville ISD, Connally ISD, Crawford ISD, Gholson ISD, La Vega ISD, Lorena ISD, Mart ISD, McGregor ISD, Midway ISD, Waco ISD, and McLennan Community College is hereby authorized and approved.

**Section 5.** The locations of Early Voting Vote Centers and information on dates/hours of operations, as provided for by the Joint Election Agreement, are as follows:

**EARLY VOTING SITES**

**McLennan County Elections Administration Office (Main Early Voting Site)**

Records Building (Basement)  
214 North 4th Street, Suite 300  
Waco, TX 76701

Waco Multi-Purpose Community Center  
1020 Elm Avenue  
Waco, TX 76704

West Waco Library  
5301 Bosque Boulevard  
Waco, TX 76710

Hewitt City Hall/Library  
200 Patriot Court  
Hewitt, TX 76643

Applications for ballot by mail shall be received and processed by the McLennan County Elections Administrator, P.O. Box 2450, Waco, Texas 76703-2450. Applications for ballots must be received no later than the close of business on April 24, 2025.

Early Voting for the General Election shall begin Monday, April 24, 2025, and end Tuesday, May 2, 2025. The dates and hours designated for early voting by personal appearance at the early voting locations shall be set forth below and are also listed on the Order of General Election attached as **Exhibit “A”**:

Dates	Hours
Monday, April 21 thru Friday, April 25, 2025	8:00 AM – 5:00 PM
Saturday, April 26, 2025	7:00 AM – 7:00 PM
Sunday, April 27, 2025	1:00 PM – 6:00 PM
Monday, April 28 thru Tuesday, Apr 29, 2025	7:00 AM – 7:00 PM

For purposes of processing ballots cast in early voting, the election officers for the early voting ballot board for this election shall be appointed and designated in accordance with the provisions of the election services contract.

**Section 6.** On Election Day, May 3rd, the polls shall be open from 7:00 AM to 7:00 PM. Election Day Vote Centers are listed on **Exhibit “B”**.

**Section 7.** Voting on the date of the Election and early voting shall be by the use of a lawfully approved voting system. The preparation of the voting equipment to be used in connection with such voting system and the official ballots for the Election shall conform to the Texas Election Code (“Code”), as amended. The specific voting machines to be used shall be provided by McLennan County in accordance with the Contract for Elections Services with the McLennan County Elections Administrator.

**Section 8.** Notice of the elections hereby ordered shall be given in accordance with Texas state law. The City Secretary is hereby authorized and directed to publish and/or post, in the time and manner prescribed by law, all notices required to be published and/or posted in connection with the conduct of these elections.

**PASSED and APPROVED** this 21st day of January 2025.

**CITY OF LORENA, TEXAS**
